FOREWORD

Monroyan has served as the name of the Neville High School Yearbook since 1932. Prior to that time the annual was known as Squeedunk, beginning in 1922 at Monroe City High School. Mr. William Wunsch, a Neville alumnus and teacher, founded this yearbook and the school newspaper, Neville Sizzler.

Since 1922 the annual has progressed steadily until today it ranks as one of the more outstanding ones in its class. This year's Monroyan is attempting to present a vivid historical account of the history of Neville High School in prose and pictures. However, the past year's events still receive the same comprehensive treatment as past yearbooks have enjoyed.

The Monroyan staff and sponsor have endeavored to produce a yearbook that will not only be enjoyed by its subscribers, but will be a credit to the school and this city as well.

The History of Neville High School

1885-1960

**Monroe City High School — First Building
(1885-1900)**

Franklin Garrett

Mr. Garrett was quite a versatile man in Monroe affairs, for he was engaged in a multitude of civic endeavors. He served as City School Board Chairman from 1880-1885 and superintendent from 1885-1889. He is credited with founding Neville High School's predecessor, Monroe City High School, in 1885. He actually founded the "modern" version of the Monroe City School System, that is known today.

A High School Is Born

School History by Sammy R. Danna

Neville High School celebrates its Diamond Anniversary this year with an illustrious and fascinating history behind this great institution of learning.

It was in the summer of 1885 that the Monroe City (Public) School Board created Monroe City High School. Lewis Allan, Jr. was board chairman and C. A. Downey and J. A. Moore were members. The project was initiated by the newly appointed Superintendent, Franklin Garrett.

The high school occupied the rented building, belonging to the former Ouachita Female Academy, from 1885 to 1900 (when it was razed). On the old academy site and including the rest of the block, the present old Central Grammar School structure was erected in 1900. The high school occupied the building until it moved in the present structure in 1931.

Thus, the name Monroe City High School remained from 1885-1931 when it was changed to Neville High School. This should clear up most of the confusion concerning the beginning of Neville High School. Therefore, Neville actually had its beginning in 1885 as Monroe City High School before it was re-named for the late superintendent, Ernest L. Neville. When the City School System was under the Ouachita Parish System, from 1891-1894, the school was known as Ouachita Parish Central High School.

The Monroe City School System was first chartered in 1820, re-chartered in 1869 and again in 1880 before Franklin Garrett came on the school scene. It is through his tireless effort and guidance that the modern Monroe City School System of today has emerged.

Four Graduates Noted in 1888

Four young ladies studied for three years (the required time for finishing high school in those days) and in 1888 they were graduated in the Monroe Opera House on South Grand Street. Their commencement ceremonies lasted two days, June 26-27, 1888. The graduates were Millie Hanna, Jennie Belle Weaks, Margaret Garrett, and Rebecca Kern.

Mr. J. W. Johnston was principal of the Male School and Mrs. M. J. Evans was principal of the Female School when the high school department was added in 1885. Professor Fredrick W. Blee was the first principal of the co-educational school, beginning in the fall of 1888. It was at this time that the Ouachita Parish Schools demanded that the City Schools should be turned over to them. After a long, bitter struggle, City School officials finally yielded, in 1891. The so-called merger lasted until the fall of 1894 when the City Schools once again became independent.

In 1900 Ernest Long Neville came to Monroe from Chapel Hill, North Carolina, to serve as a high school teacher and two years later became high school principal. After George W. Reid vacated the superintendent's position, Mr. Neville took over that office and held it until 1948 when he retired. He also served as coach and founder of the Tiger football team as a varsity unit in 1908. Most of what is known as the Monroe City Schools today (physically) were established under the farsighted administration of Mr. Neville.

Monroe City High School — 1900-1931

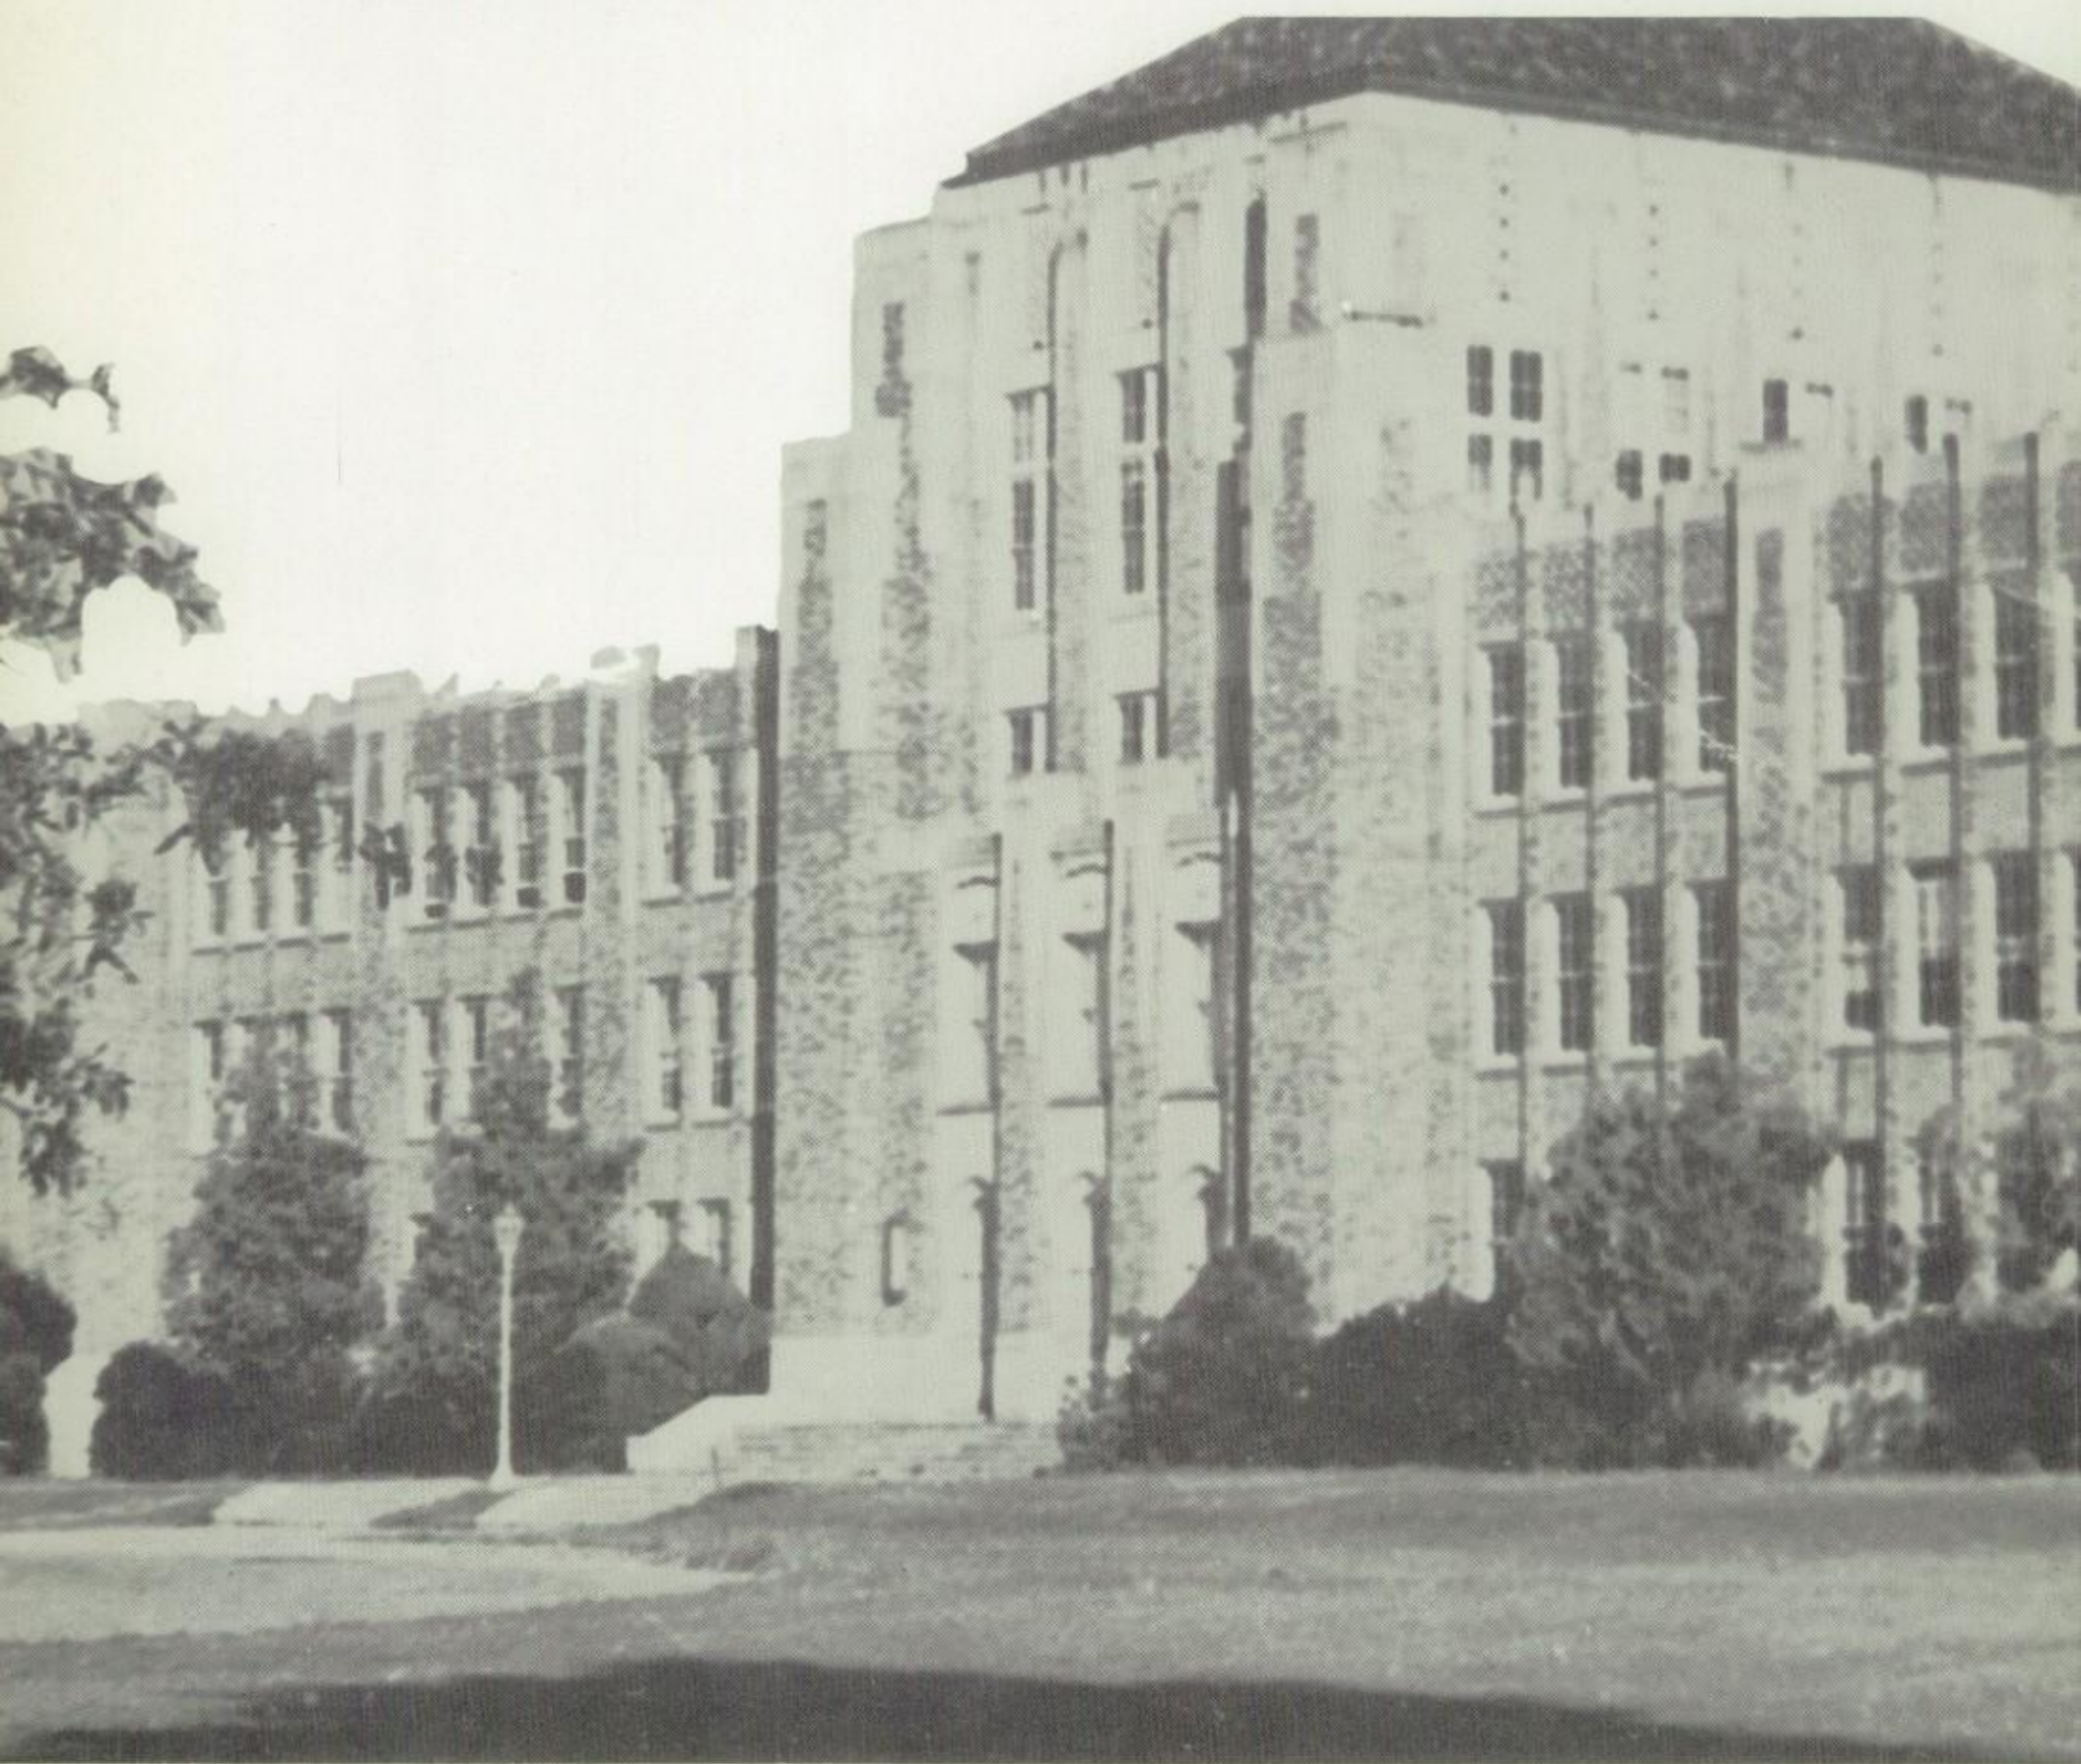

Ernest Long Neville
1876-1957

City High School Shows Much Progress

Monroe High was the only high school in Louisiana with four grades (the City System had a total of 12 grades); this advancement began in 1906 but was halted by refusal of the state to appropriate additional funds to support what it apparently deemed an unneeded extra grade. However, some time afterwards the state added the extra grade, and so all Louisiana school systems have 12 grades today (since the early 1940's). Neville enjoyed this educational opportunity back in 1906.

Mrs. Minnie Ruffin who joined the Monroe City Schools in 1909 became principal of the high school in 1915 and remained in this capacity until 1931. In that year Dr. Charles E. Kenny took over as principal until 1936. After serving as acting principal in 1936-1937, Mr. Paul J. Neal, former grid coach and science teacher, became principal and remained thus until he was made high school supervisor in 1958. Mr. Sidney Seegers succeeded Mr. Neal as Neville principal and, of course, still holds that position today.

Mr. Van D. Odom succeeded Mr. J. M. Boyer as superintendent of the City School System in 1952 and still serves in that head capacity. Mr. Tom Scott has served as president of the Monroe City School Board since 1952.

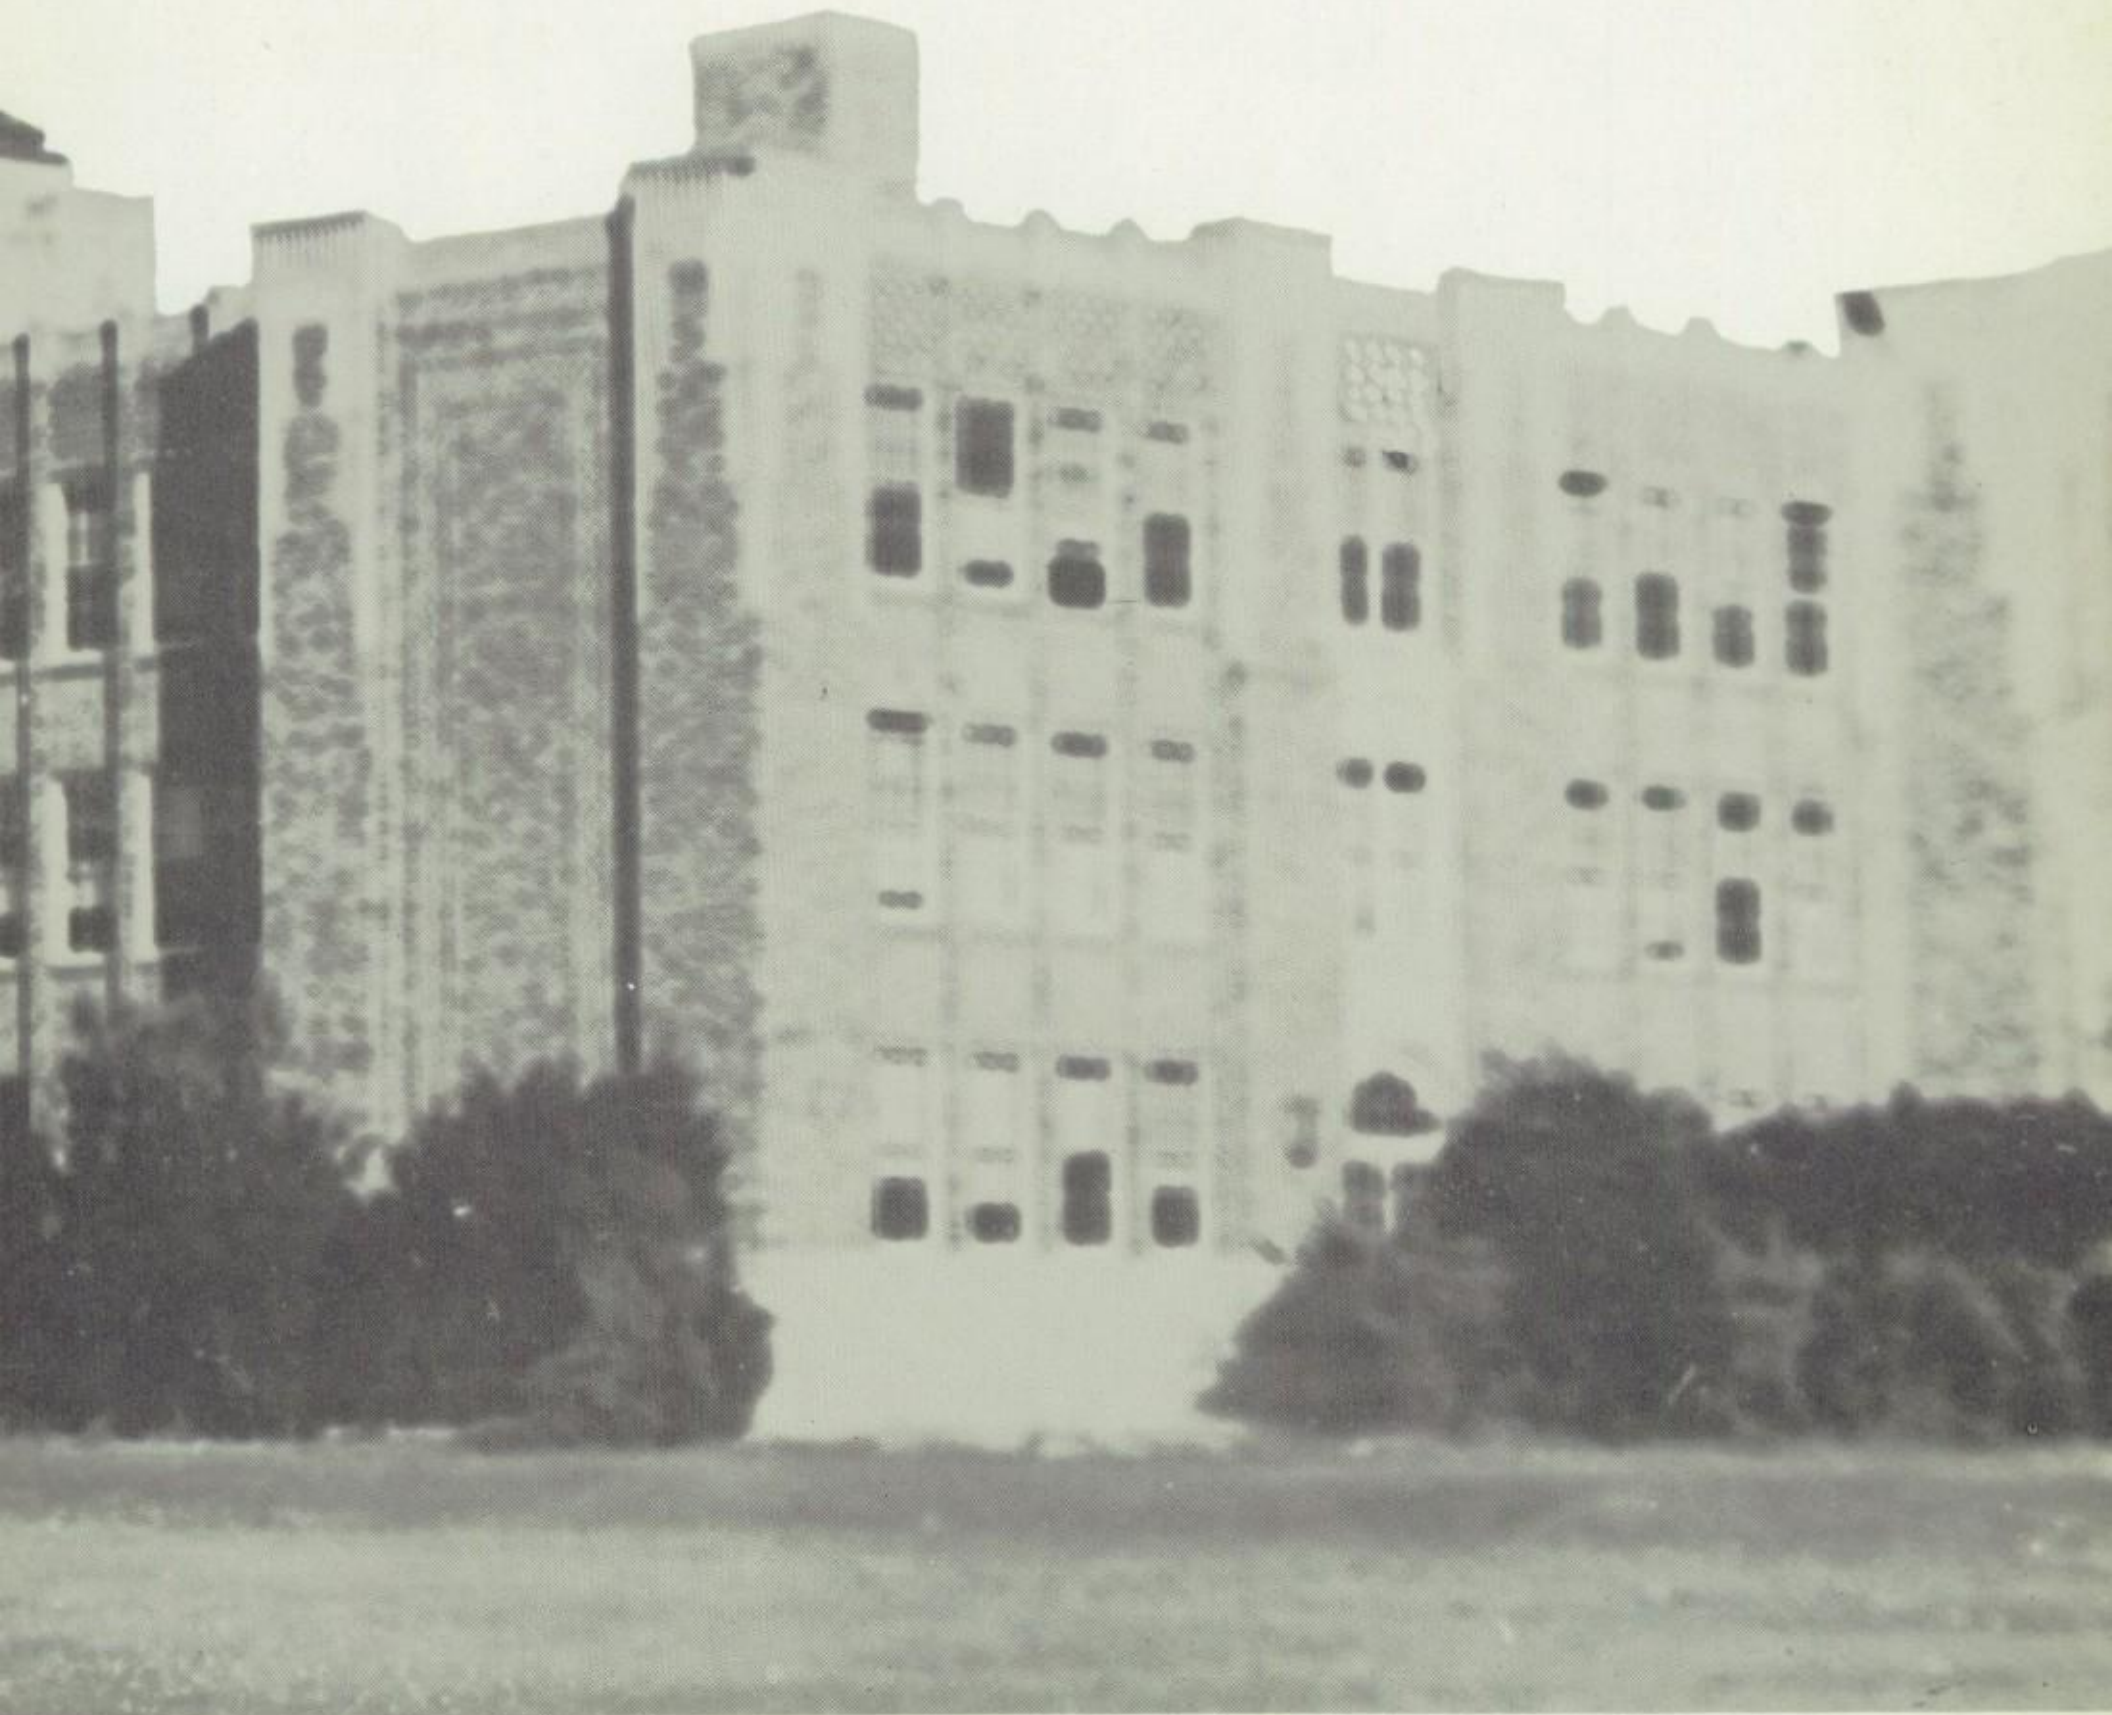

nce Moving Into Present Building

Since the City High School moved into the present building it has progressed faster and to a greater extent in athletics, scholarship, leadership, extra-curricular activities and the like than in all the previous years put together. Neville has gained an enviable reputation not only in Monroe and in Louisiana, but throughout the South and the Nation as a whole.

However, all of this is mere history, though it is certainly quite illustrious and great. Neville did not achieve her greatness by resting on past accomplishments. Neville is a school which is constantly looking to the future for further advancements and progress. The forward thinking of Neville in instituting the state's first student council, the first advanced science program, the first four year high school plan, and the many other "firsts" that have made Neville the leader it is now acclaimed, will continue.

Yes, the future belongs to those who plan for it. Neville is doing that now to assure herself of continued progress and leadership.

Truly, with such a system as that, Neville will go on living in greatness as long as the world goes on turning.

Formerly Monroe City High School — 1885-1931

Arnold Bernstein

Mr. Bernstein became mayor of Monroe in 1919 and automatically President of the Monroe City School Board. Under his leadership and close work with Mr. Neville the greater portion of the present Monroe City School System of today was brought into being.

Minnie Ruffin

Mrs. Ruffin joined the Monroe City High School staff in 1909 and became principal of the school in 1915. She became Dean of Girls in the new Neville High School setup. She was educated at the University of Chicago, Tulane University and other notable institutions of higher learning.

Van D. Odom

Mr. Odom came to the Monroe City School from Haynesville in 1952. Since he arrived on the school scene here, two new junior high schools have been erected and many other notable school improvements have evolved.

Paul J. Neal

Mr. Neal joined the Monroe City High School faculty as athletic coach in 1926 and was a science teacher until he became acting principal in 1936. Mr. Neal was made permanent principal in 1937. He served in this capacity until 1958 when he was made high school supervisor and director of testing.

Sidney A. Seegers

Mr. Seegers came to the Monroe City Schools in 1953 as science instructor at Neville. He remained in this capacity until 1955 when he became part-time guidance counselor and science teacher; he served as full-time guidance counselor in 1956-1957. He was principal of Robert E. Lee Junior High before becoming Neville High principal in 1958.

ORGANIZATIONS

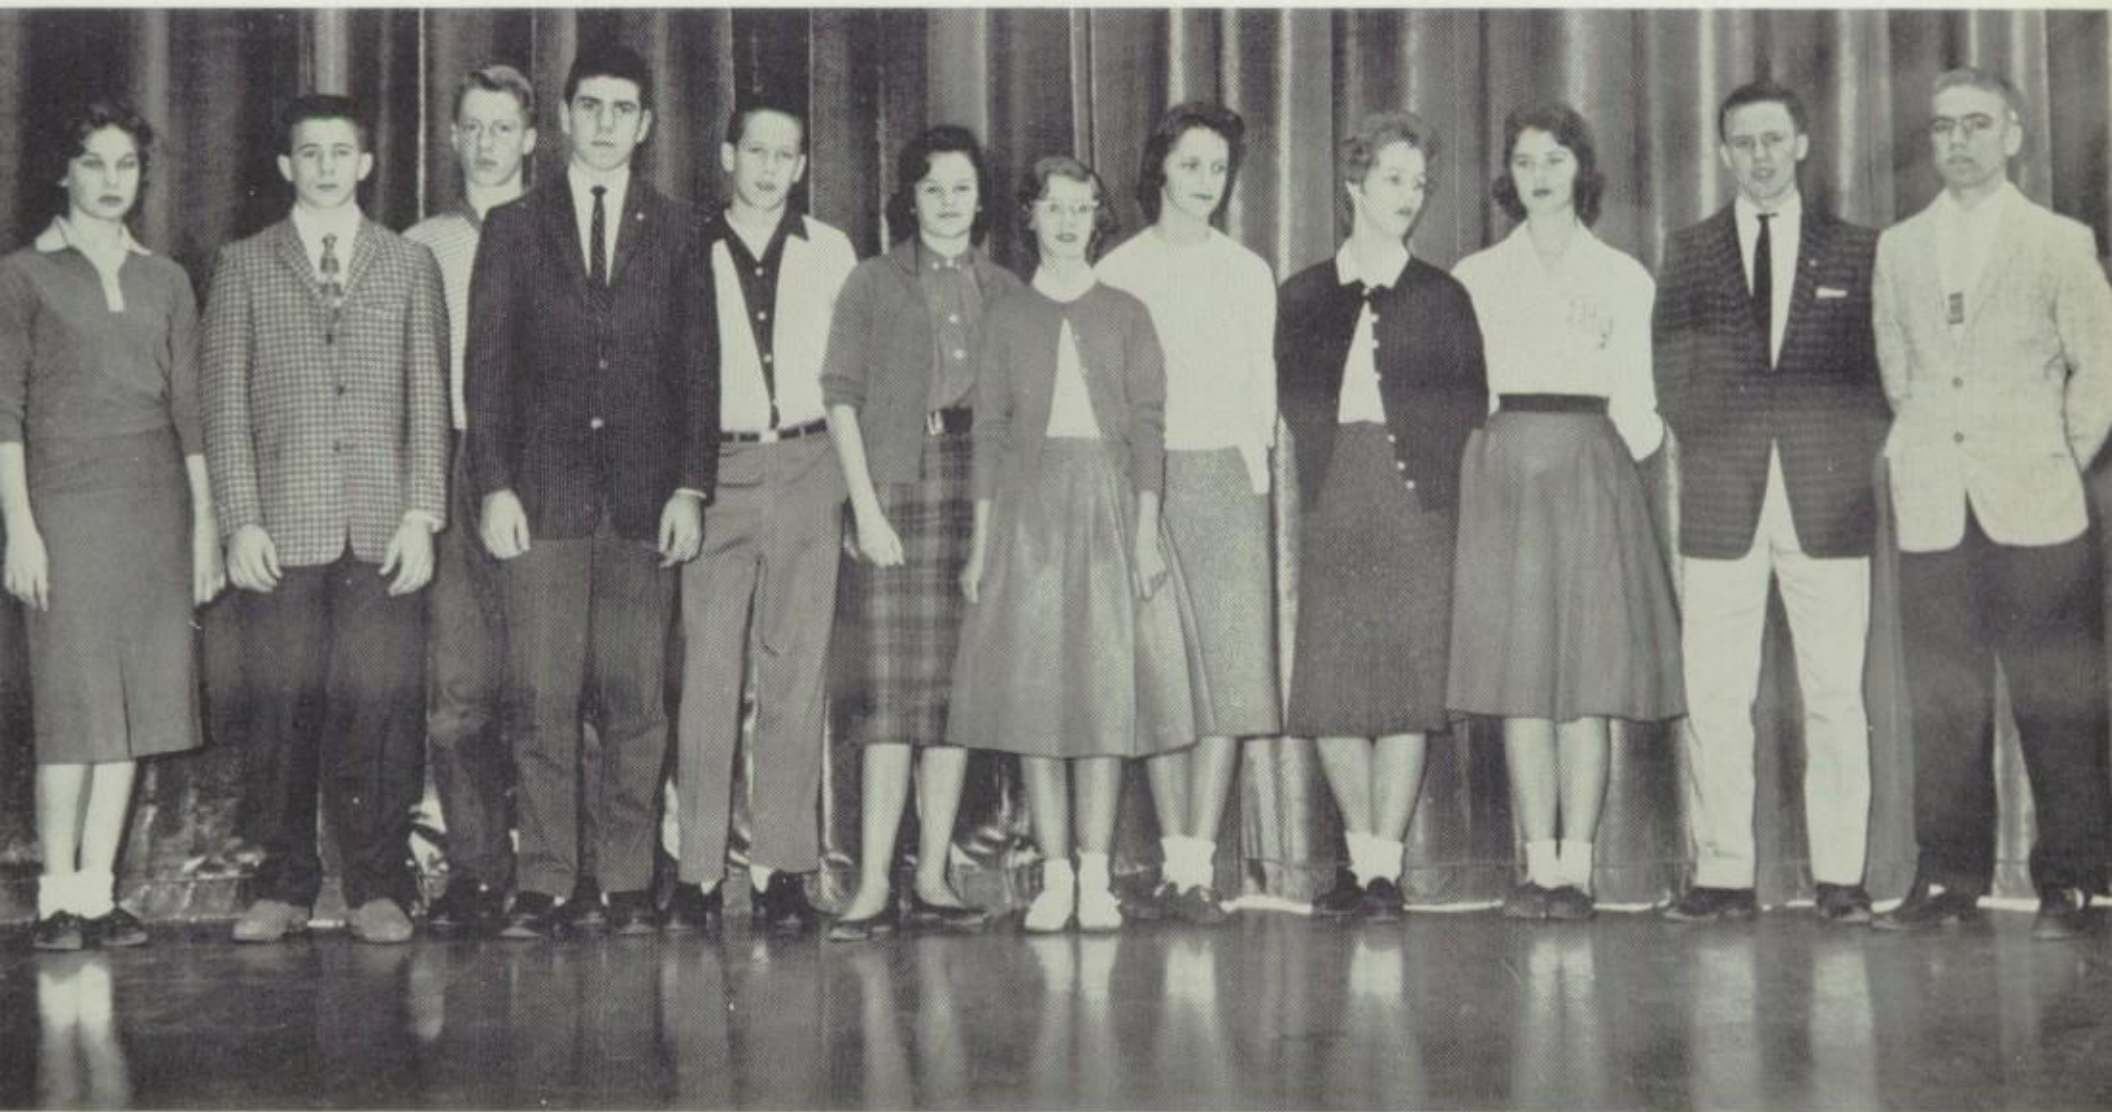

NHS Student Council

1931-1960

Junior and Senior Members of the Student Council

Devone Payne, President

FRESHMAN AND SOPHOMORE MEMBERS OF THE STUDENT COUNCIL

Neville High School initiated the state's FIRST STUDENT COUNCIL, in 1931 when the city high school moved into this new building. Actually, this is one of the first student councils in the entire nation since the student council movement began in the early 1930's. Since that time, Neville has boasted great leadership in student council work throughout the nation as a whole. In 1956-57 Neville served as Vice-President of the Southern Association of Student Councils. Neville has also served as state president of student councils.

Those representing Neville at Pelican Girls' State are, BOTTOM ROW, Joan Williams, Ann Andrews, Darla Storms. TOP ROW, Carolyn Smith, Billie Sue Dixon, and Sharon Mann.

Representatives to Pelican State

Those representing Neville at Pelican Boys' State are, from left to right, Slade Moody, Ronnie Rushing, Kenneth Blue, John Shaughnessy, and Billy Hodge.

Student Office Staff

The office staff, a valuable aid to Mr. A. E. Culpepper, delivers messages, does clerical work, and helps with the general function of the school. This group is headed by veteran office worker Charles Garrettson (standing at extreme right). The boys actually receive little material recognition for their valuable services rendered Mr. Culpepper and the school in general.

Neville Stage Crew

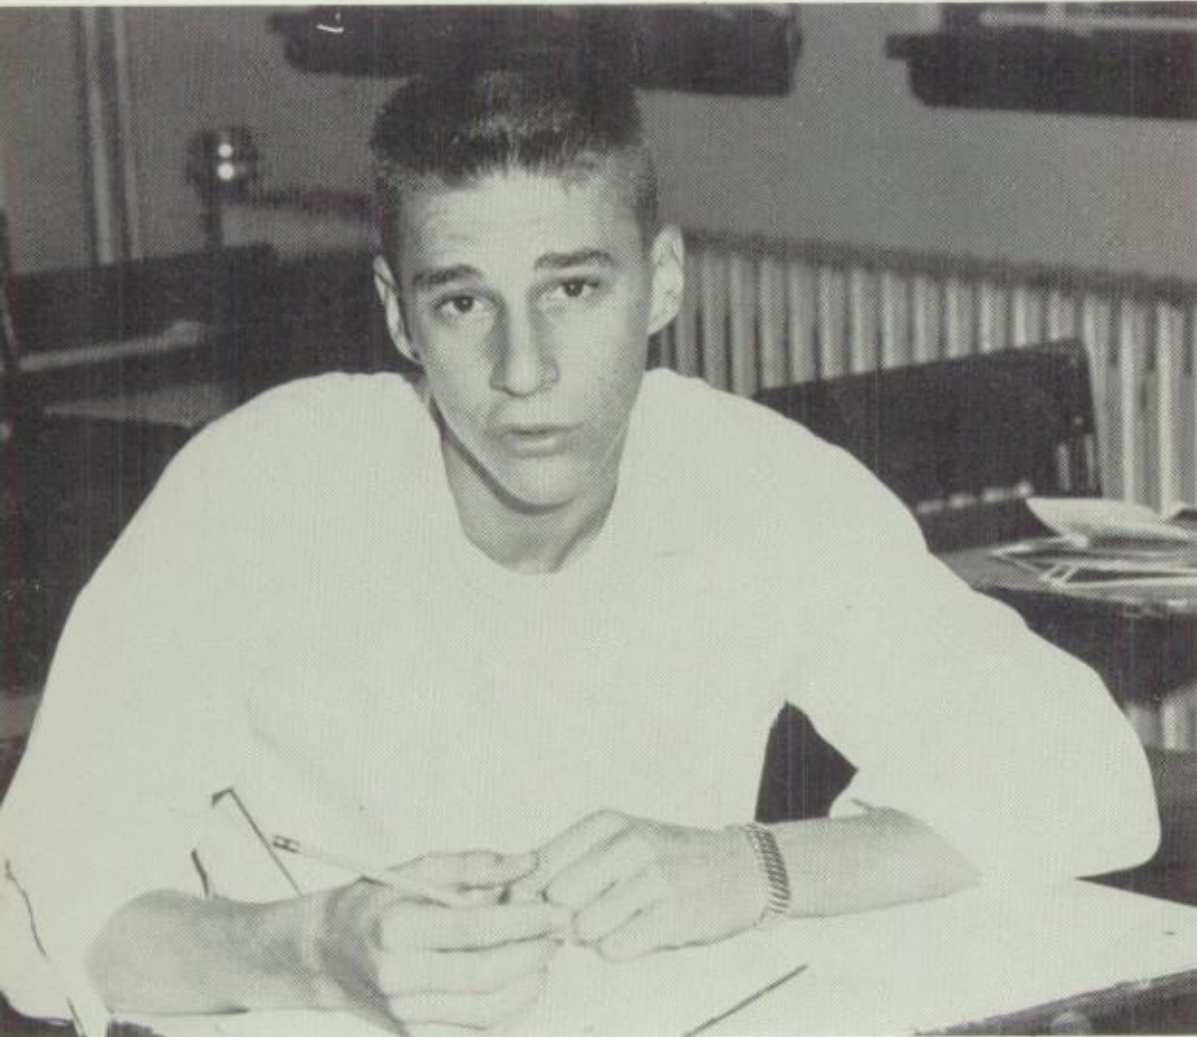

The Stage Crew is responsible for the lighting and sound of all assemblies. This is another group of hard workers who literally do "behind the scenes" work which is seldom noticed or recognized by anyone. The responsibilities are great and the work is often hard and trying.

The switchboard on the huge Neville stage is one of the most complicated of any high school any place. However, the stage crew takes such jobs in stride.

Neville Sizzler

"For the Good of the School"

Founded in the Summer of 1921

Roger Reinhardt, Editor-in-Chief

Mr. Sammy R. Danna, Sizzler Sponsor, Monroyan Sponsor, Director of Printing and Public Relations.

Neville Sizzler was founded in the Summer of 1921 by William Wunsch, teacher of rhetoric, at Monroe City High School (Neville's name before 1931). The summer school rhetoric class at MCHS carried the Sizzler idea through. The reason for the unusual name SIZZLER is that the weather was extremely hot at that time and someone, it is said, stated that one particular day was really a SIZZLER. Also, an important hot news story is known as a SIZZLER. The school newspaper has been printed in many different formats, styles and arrangements since that 1921 beginning. The motto: "FOR THE GOOD OF THE SCHOOL" is exclusive with the Sizzler and has been passed down through the years as one of the most unique and famous in the state. Mr. Leon L. Marx sponsored and directed the production of the Sizzler from 1949 to 1953. During this time it was printed by offset lithography except for one 1949 issue. Other sponsors of the newspaper include Miss Mary Hester, Mrs. Austin Miller, and Mr. W. C. Spight. Mr. Sammy R. Danna became sponsor in 1956 when the Sizzler was revised and resumed publication after a lag of three school years. No Sizzlers were printed from 1957 to 1959. Again Mr. Danna was in charge of reviving the old newspaper. This time its printing was done right here at Neville High School, quite successfully. The Sizzler was also distributed free of charge to the student body and did not solicit advertising, but did accept a limited amount by request. The only national award earned by the Sizzler was a national first place certificate awarded in 1957 by the Columbia Scholastic Press Association of Columbia University.

Dolly Bassett, Managing Editor

Jane Crawford, 1960 Monroyan Editor, is a veteran yearbook worker.

Monroyan was founded in 1922 as the Squeedunk at Monroe City High School (Neville before 1931). Mr. William Wunsch was the faculty founder as well as the originator of the Sizzler. The name, Squeedunk, supposedly referring to a steamboat whistle, was changed to Monroyan in 1932 when Monroe City High became Neville High. Mr. W. C. Spight was yearbook sponsor and was responsible for the wise name change.

During the World War II years, no yearbook was published at Neville as was the case of most high schools throughout the nation. However, after the war, publication was resumed. Most of the annuals were printed by means of letterpress printing, a somewhat costly method. However, after sponsoring only one letterpress yearbook, Mr. Leon L. Marx started the offset lithography tradition of yearbook printing which began in 1951, and it has continued to this day. The new sponsor, Mr. Sammy R. Danna, a former Monroyan editor, intends to continue with the offset process. This year's annual was sent to the printers earlier than any one in the last decade and one of the earliest in history.

The Monroyan — 1960

"The Year in Prose and Pictures"

Connie Casey, left, and Barbara McCoy, right, Business Manager, and Advertising Manager, respectively, did much to promote the advertising and yearbook sales campaign.

WYNN JEFFERSON

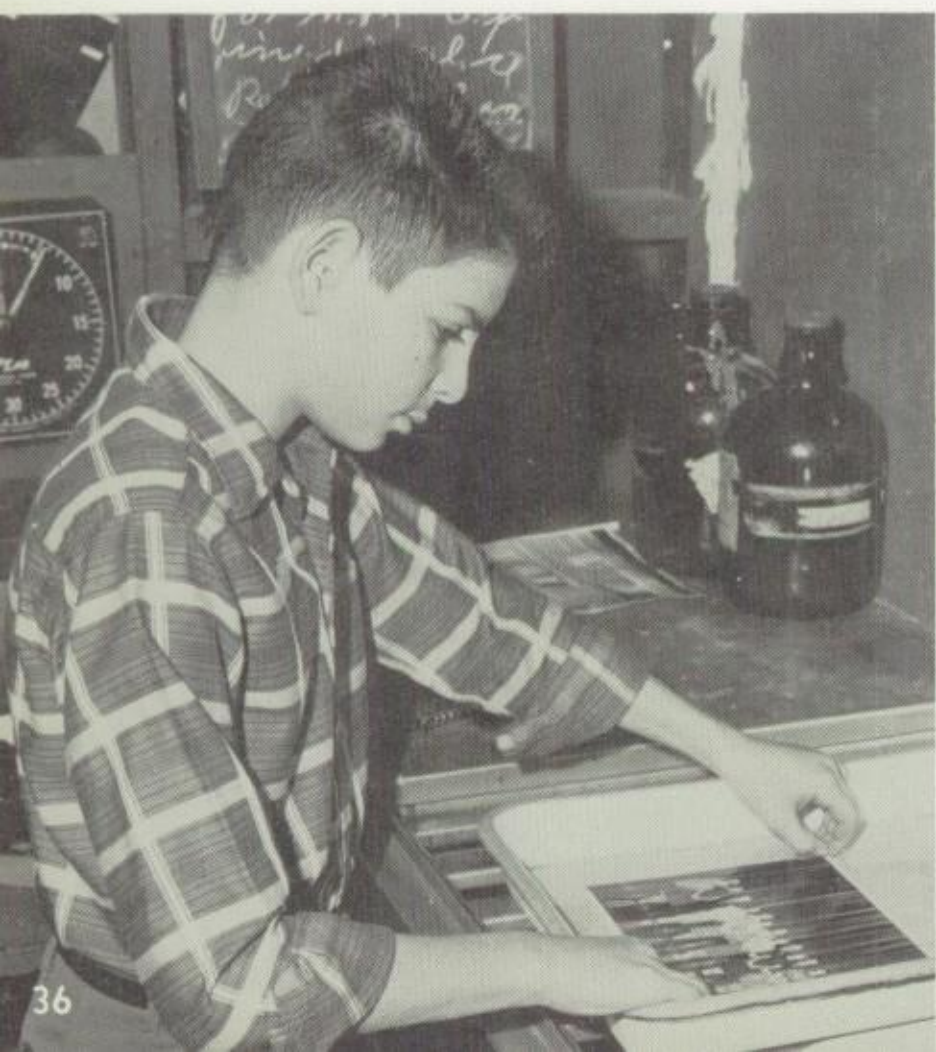

TERRY HESSICK

These are the four students who are mainly responsible for the pictures in the 1960 Monrovan. Under the close and strict direction of the darkroom sponsor and yearbook sponsor, Mr. Sammy R. Danna, over 95 per cent of all yearbook pictures were taken and completely processed at Neville.

Neville Photographic Shop

Neville High School's photographic department (officially called Neville Photographic Shop) had its beginnings in the early 1930's when Mr. W. C. Spight was teaching chemistry and physics and sponsoring the yearbook. Actually, the darkroom that is in existence today was begun under the sponsorship of Mr. Leon L. Marx, former Monrovan sponsor. In the last ten years the darkroom has progressed slowly but steadily. However, in order to keep up with modern trends in photography and progress along with the rest of the school, the darkroom needs to be radically remodeled and greatly improved. New and more modern advanced equipment is critically needed in order to meet the challenge of the future with the rest of Neville High School.

JERRY MEHL

KENNETH BLUE

Neville Printing Shop

Neville became the first high school in the state to have a complete, fully equipped printing shop. This is but one of the many firsts in the school's long, illustrious history. By using the printing facilities this year, the Monroe City Schools were able to save many thousands of dollars. Also, many items were printed which would not have been printed if the equipment had not been installed. Students gained much valuable experience from working in the department, states Mr. Sammy R. Danna, director. Some of the items printed include the Sizzler, football programs, band programs, posters, letterheads, envelope headings, report cards, tickets, various office forms, and the like. The printing shop should more than pay for itself many times in the next few years, according to present estimates. Truly, along with the photographic shop, the printing shop is one of the wisest investments ever made at this high school. The equipment was purchased for Neville and the entire Monroe City School System by the City School Board, Mr. Tom Scott, President. Present plans are that a special printing class is to be taught next school year.

Charles Garrettson, Mr. Sammy R. Danna, director, and Connie Mott work on the Printing Press. Connie Casey, Sydney Greenblatt and Kenneth Blue were also members of the printing staff. All of this work was strictly voluntary.

Douglas Kelly, left, and Billy Lewis, right, are two of the hardest printing workers. Their duties consisted mostly of setting type and making layouts.

Robert Evans, left, performed much of the press cleanup work while Dolly Dasset, right, did much of the special opaueing work.

Marching Band

The Marching Band has gained wide recognition as a truly fine marching unit. Marching season was climaxed by performing at the Senior Bowl Game in Mobile, Alabama on January 9, 1960.

Band Officers

Willard Turnage, Julian Mehl, Ginger Donald, Ellen Walker, Donn Kurtz, John Harvey Nelson, Sandra Guyton, Sharon Mann, Wayne Smith, Jim Guthrie, Tommy Ritter, Edwina Hopkins, Jim Huggins, Howard Rivers, Leon Price.

Concert Band

The Concert Band is in its third year under the direction of Mr. Herbert Gathright and is selected on a competitive basis, thus creating a high regard for performance. This is a highly disciplined organization conducted on a military basis, with the chief pride of the members being their record of consistently fine performance in all phases of band activity.

Neville High School Tigerettes

Neville High School Tigerettes Stand at Attention

Much tradition and honor back the Tigerettes of today. In 1945, forty-six girls banded together to form the nucleus of the present day Tigerettes, who now are one of the most outstanding organizations at Neville. They work to boost team and school spirit, perform at half-times of football games, and march in parades.

Tigerettes officers are, from left to right, Rosemary Upshaw, Secretary; Joan Williams, President; Dixie Williams, Vice-President.

Commanders for 1959-60 are, from left to right, Nancy Snellings, Sr. Commander; Billie Sue Dixon, Sr. Alternate; Harriet Murray, Jr. Commander, Jan West, Jr. Alternate.

TIGERETTE SQUAD LEADERS

Serving as squad leaders this school year are the following, from left to right, bottom row: Billie Sue Dixon, Nancy Snellings, Harriet Murray, Jan West. Top row: Gretchen Guelzow, Mary Jane Young, Joan Williams, Mary Jo Strausser, Dixie Williams, and Nina Jo Osborn.

TIGERETTE FIELD OFFICERS

Field officers are, from left to right: Gretchen Guelzow, Mary Jane Young, Joan Williams, Mary Jo Strausser, Dixie Williams, and Nina Jo Osborn.

All of the Tigerette officers this year, as in the past, have proved themselves capable leaders and top-notch NHS students.

Tigerettes in Action

Mrs. Eunice Dunn has been Tigerette sponsor for nine years, now. During this time she has guided the girls in their many varied projects and activities, tirelessly and graciously.

MRS. EUNICE DUNN
Sponsor

This is a view of the Tigerettes' marching in the COACH RUPLE DAY parade, January 11; the girls are on Walnut Street, a few blocks from DeSiard. Besides marching in parades, the Tigerettes participated in halftime shows at the varsity football games, sponsored parties after the games, and in general helped generate school spirit and promote Neville loyalty.

Quill and Scroll Society 1933-1960

Members of the Neville Chapter of International Quill and Scroll Society for Journalists include, from left to right: Billie Sutton, Nina Jo Osborn, Kenneth Blue, Carol McKeithen, and Betty Sutton.

Quill and Scroll was chartered at Neville High School on January 3, 1933, but it has been re-organized three times during the 27 intervening years. Quill and Scroll sponsors of the past include Mr. W. C. Spight, Mr. Leon L. Marx and Mr. Sammy R. Danna (1956-57). Mr. Danna is again sponsor of Quill and Scroll after a lapse of two years (1957-59). The Scholastic requirements of this organization are that prospective members must have a "B" average or better for all of their high school work. They, of course, must be juniors or seniors and have performed outstanding work in the field of journalism.

FBLA

The Future Business Leaders of America was chartered at Neville High School in the fall of 1952 with approximately a hundred students becoming members. Miss Harriet Boyle was the first sponsor. Miss Marianna Johnson and Mrs. Bernice Hickman are the present sponsors of the organization. Officers of the club are, right to left, Sharon Mann, President; Judy Reagan, Vice-President; Jan West, Secretary; Bunny Cannon, Treasurer; Alice Butler and Ellen Walker, Historians.

Neville Lettermen Club

Under the leadership of President Joe Turner the Lettermen Club has been re-organized at Neville High School after a long absence of nearly 30 years. The club has met frequently with the coaches serving as sponsors. One of the year's big projects was the sponsorship of the concession stand at the Neville home basketball games.

Neville Key Club

Officers of the Key Club include Ronnie Rushing, President; Mike Boykin, Vice-President; Slade Moody, Secretary-treasurer; and Robert Koontz, Sergeant-at-Arms. Joan Williams is the club sweetheart.

Key Club has grown to mean a service organization which has proved to be willing to perform almost any worth while school or community work that is needed. The club has worked in the Ouachita Parish Public Library this year and published the varsity football program. The sponsor of this energetic organization is Mr. A. E. Culpepper.

Latin Club

For years, now, Neville's Latin Club and Junior Classical League have been outstanding among the school's academic organizations.

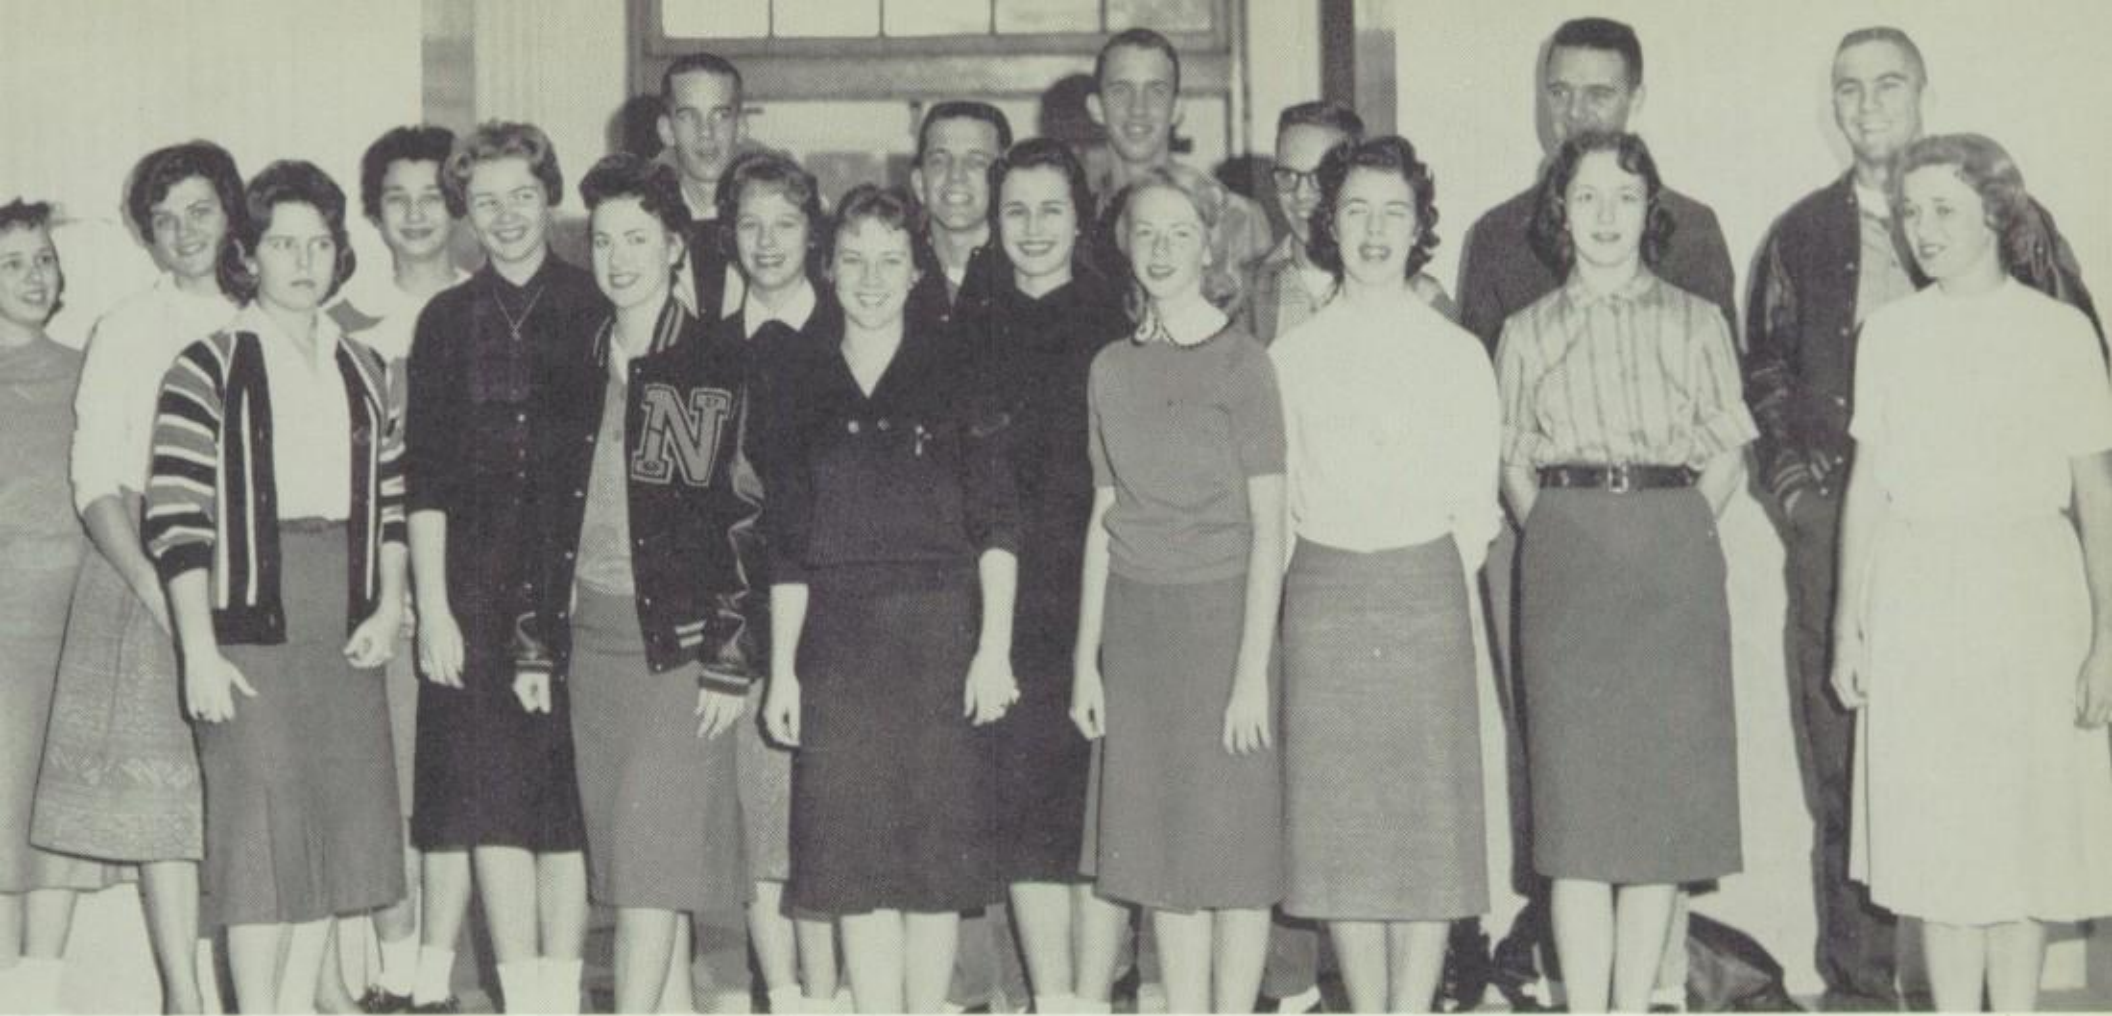

Serving as officers for the Latin Club are, bottom row, left to right, Laura Allen, Kay Anderson, Molly Shelton, Mary Beggs, Ellen Ferguson, Linda Woods, Mimi Landry. Top row, Mike McCready, President; Barbara Barghist, Jo Anne Genusa, Gretchen Masur, and Bo Pasternack, Vice-President. These officers along with their sponsor, Miss Ruth Simmons, guided the club through one of its most successful years thus far. The organization participated in many activities, both social and academic.

Rome challenged Greece in football at the annual Latin Club Assembly.

In the final analysis the entire assembly proved to be quite entertaining. The "fake" football game received much favorable comment and a great amount of laughter.

The Dixon Sisters also entertained in the assembly with quite a rendition of a popular commercial.

Thespians

Newly organized this year are the Thespians, a club that has not been active at Neville since 1957. The National Thespian Society is devoted to the advancement of dramatic arts in the Secondary Schools.

Library Club

Assisting in the library during the day are members of the Library Club.

NHS Glee Club

THE 1959-60 GLEE CLUB

Glee Club officers, are, from left to right, bottom row, Lucien Branch, Barbara McCoy, Delores Calderone, Robert Turner. Top row, Carolyn McCleary, David Smith, Joe Turner, Vice-President; and Carolyn Smith. Not pictured is Melvin Rambin, President.

All-State Chorus

During the Thanksgiving holidays these Neville students journeyed to Baton Rouge to sing with the All-State Chorus before the Louisiana Teachers Association there. The Neville All-Staters are, from left to right, Carol Ann McDonald, Barbara McCoy, Mary Lynn Armstrong, and David Smith. Joe Turner was originally scheduled to sing as an All-State selectee, but he was unable to attend because of football playing commitments. The chorus is directed by Miss Anna Rose Camp. This is Miss Camp's first year at Neville as Choral director.

Safety Council

The Safety Council is in charge of various traffic situations which arise in and around Neville City. Its aims are also to promote and help insure safety, especially around the school proper. Officers include, from left to right, Bill Hodge, president; Natalie McDuff, Janet Hyman, Jan Adcock, Linda Keller and Pete Mulhearn.

MEMBERS OF THE RED CROSS

American Junior Red Cross

A scene from the annual Red Cross assembly.

Officers of the Red Cross are, from left to right, Jo Ann Genusa, Treasurer; Kay Branch, Secretary; Sandra Guyton, President; Lynn Smith, Vice-President.

Neville	14	Ruston	0

(Cont'd next page)

State A

Tiger Squad

No. 1"

1959 Neville Season Results (Cont'd)

Neville	21	Tallulah	0
Neville	24	Baker	0
Neville	28	Ouachita	0 (City Championship)
Neville	35	Minden	6 (Bi-District Championship)
Neville	21	Natchitoches	7 (State Semi-Finals)
Neville	43	Thibodaux	13 (State AA Championship)

FINAL RESULTS: PERFECT SEASON, 12 Wins, No Losses

Champions

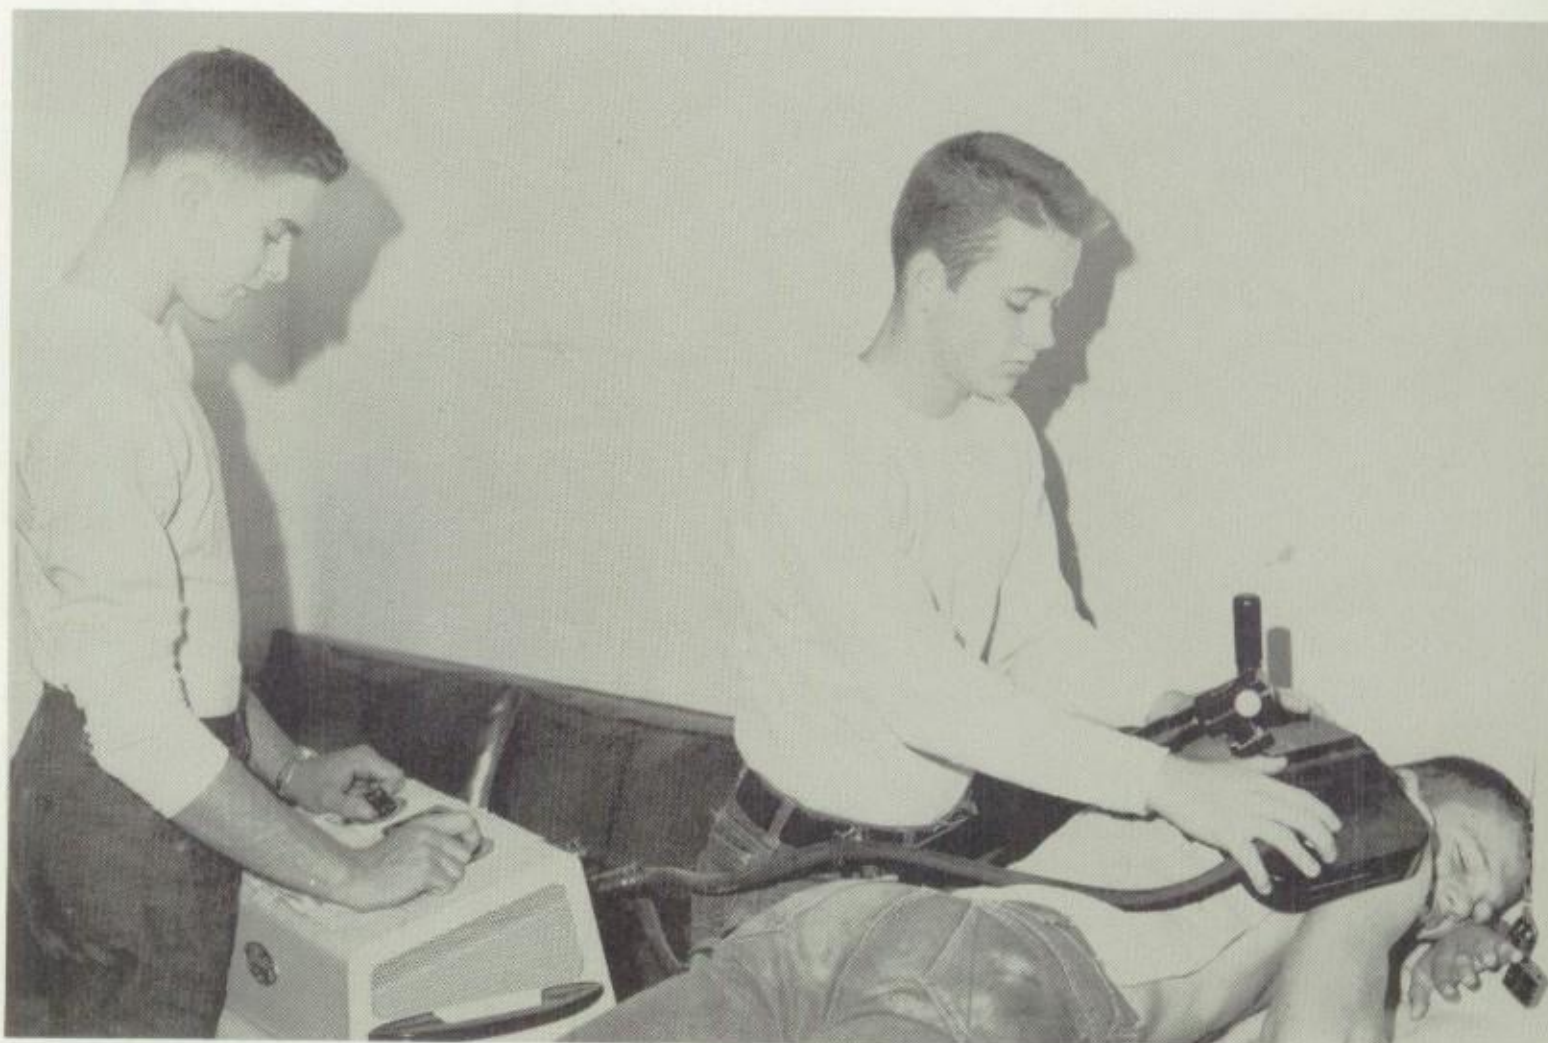

Neville Coaching Staff

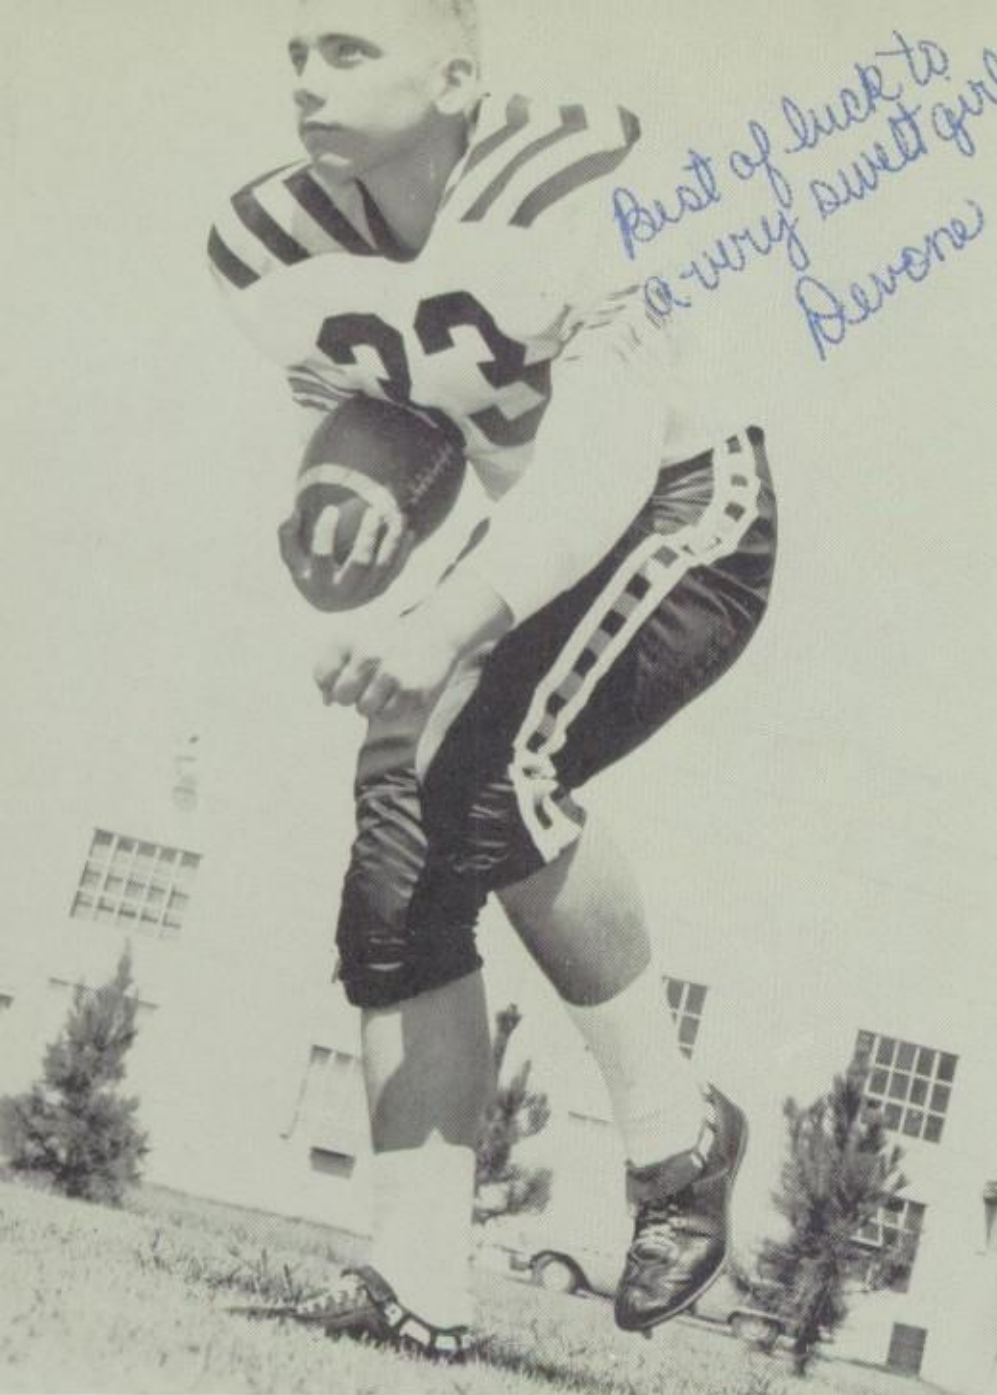

Mr. Bill Ruple, Head coach; Mr. Chic Childress, Mr. Buck Stewart, Mr. Charles Brown, and Mr. George Davis. These are the great coaches who led the Neville Tigers to their second Louisiana State AA Football Championship in four years. These mentors have worked tirelessly this season, usually under great pressure and difficulty, to build a team that was capable of winning the state championship. Truly, these are State Champion Coaches.

Coach Ruple came to Neville in 1937 as assistant to Percy Brown. He became head coach in 1945 and has been at Neville in that capacity ever since. His overall win-loss record is the best of any Tiger coach in City High School football history.

Tiger Managers

John Joyce and Hank Biedenharn, managers, attend to minor sprain in Jimmy Love's shoulder. Not shown is manager Glenn Savage. The Tiger managers, according to Coach Ruple, have done a fine job in working with the State Champion Tigers this grid season.

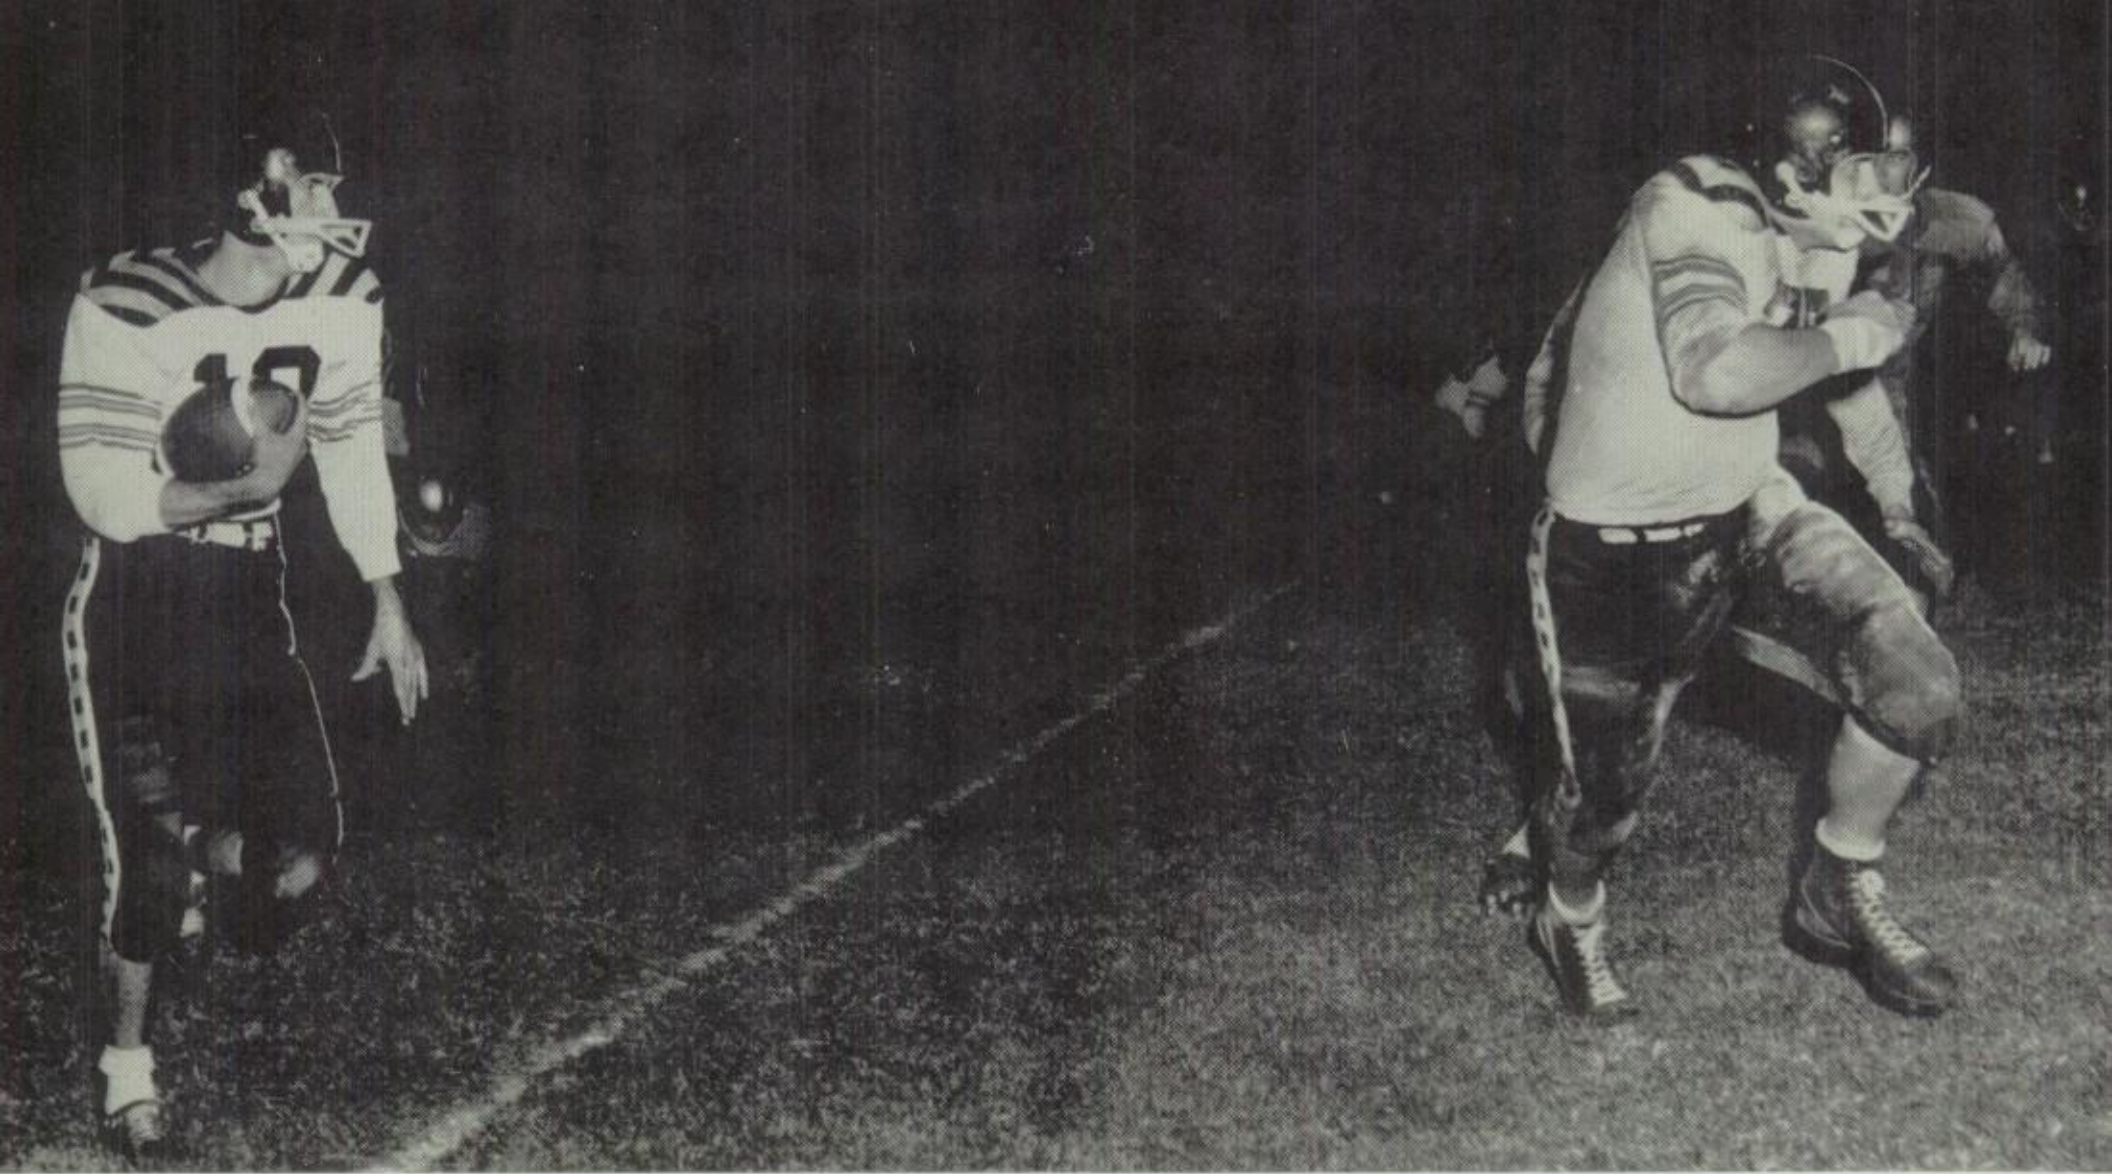

Neville 21 West Monroe 6

Neville defeated West Monroe 21-6 after losing to the Rebels two years in a row. This marks the fifth win over the Rebels since the rivalry began in 1953. Dooley Haddad ran the length of the football field for the first TD for the Tigers on the opening kickoff. Joe Cage and Joe Turner added the other touchdowns and Cage made the three conversions. The Rebels made their only touchdown in the second quarter.

At this point Neville was being regarded by the newspapers as the team to beat in district 2-AA. In fact, the Tigers were actually pre-season favorites to cop the state AA championship.

DEVONE PAYNE, Fullback

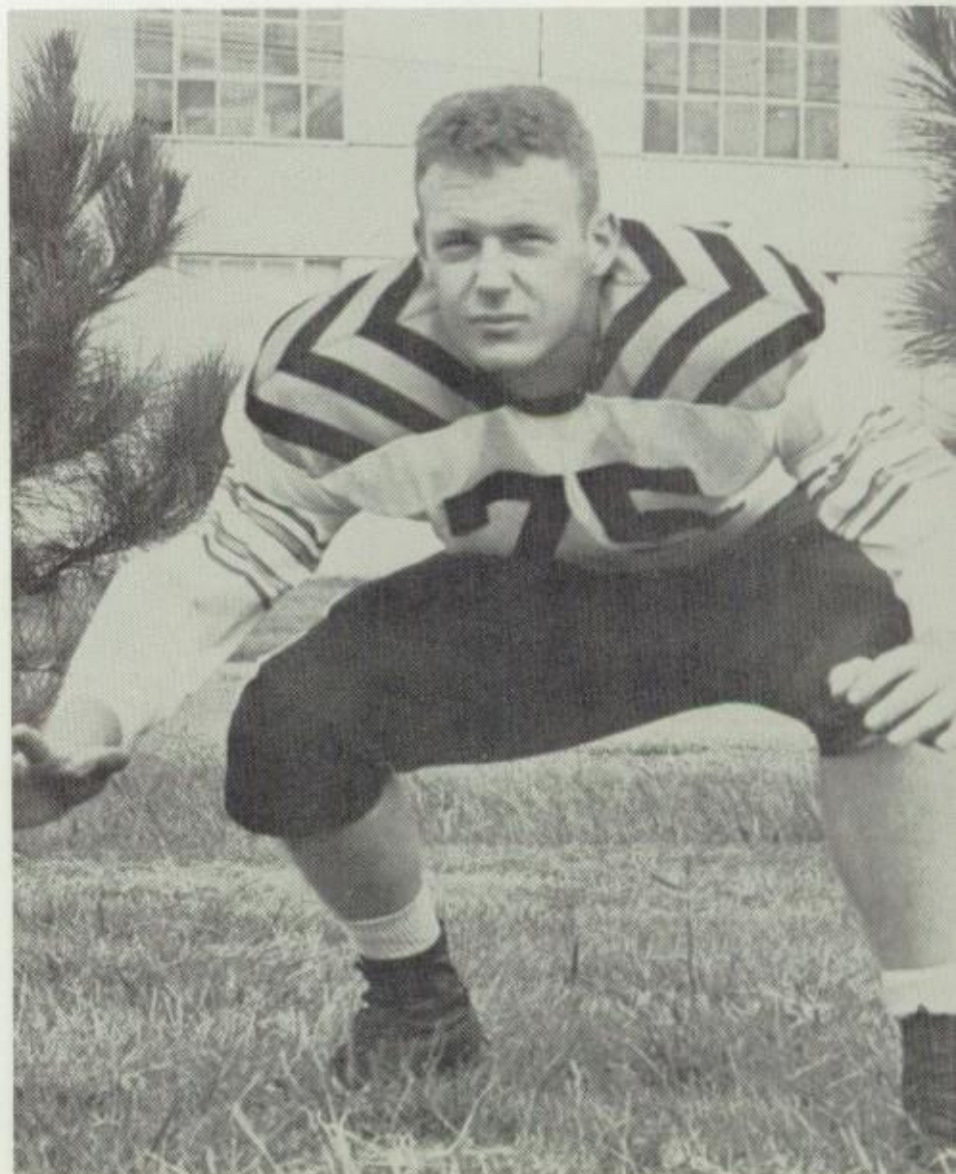

Neville 39 Haynesville 0

Progressing to the first Bengal district 2-AA conference game of the season, Neville beat Haynesville 39-0 in a complete runaway at Tiger Stadium. This was the last game to be played in Neville Stadium until October 29, for the next four contests were on the road. In the Haynesville encounter Neal Gunn scored two for Neville while Joe Cage, Devone Payne, Ralph Roberts and Joe Turner each made tallies for the Monroyans. Cage converted two PAT's and Mickey Cox made one. The Golden Tornado failed to impress the crowd with any scoring.

HERSCHEL WALKER, End

JACK BURTON, Tackle

Neville 14 Bastrop 6

According to the Neville coaching staff, the Ram encounter was the roughest game of the regular season. The hitting was terrific with many savage blocks thrown on both sides. This was one of the closest clashes the Bengals encountered this season, a slim 14-6 victory over a fine Morehouse Parish eleven. Bill Becton scored twice for Neville with Joe Cage's booting the two extra points.

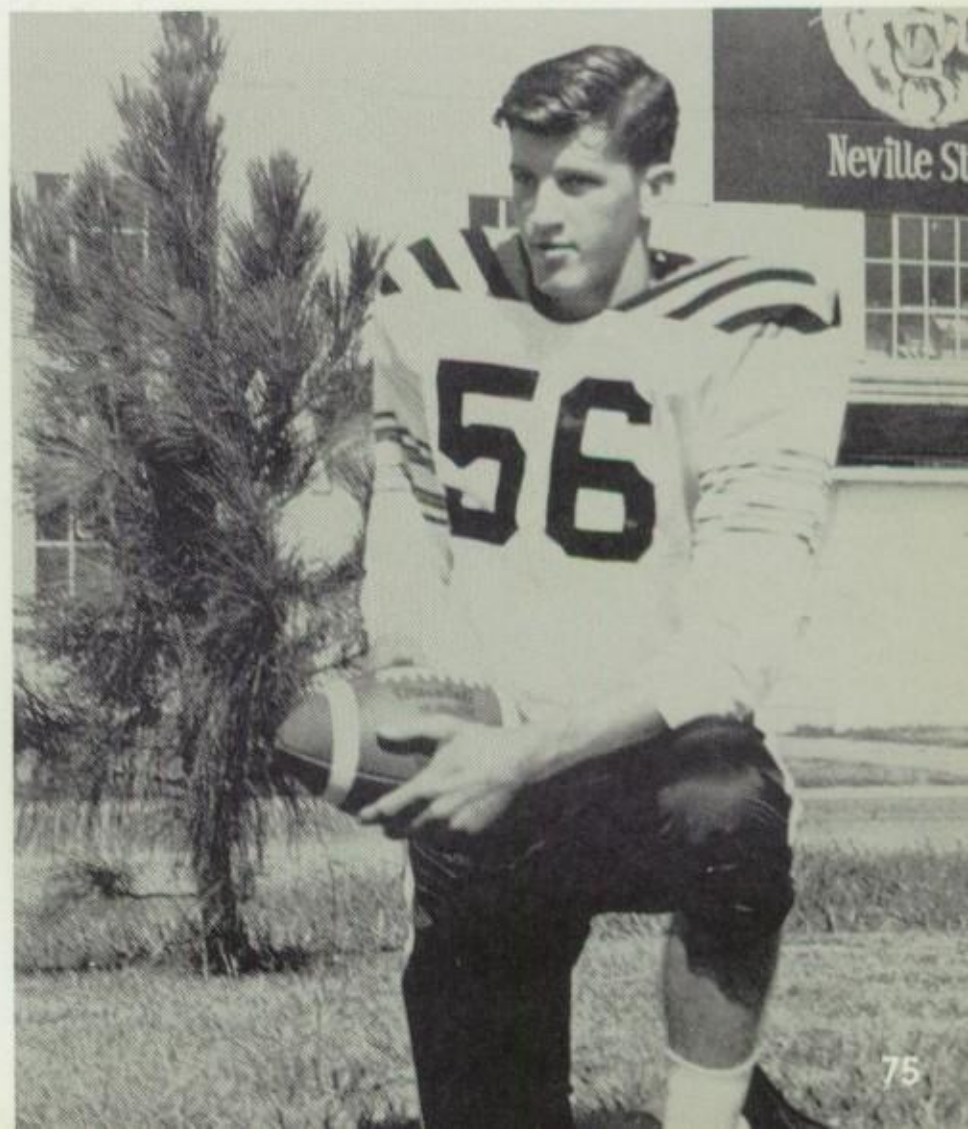

The Bastrop contest has always been one of the biggest games of the Tiger regular seasons in the past. Before Ouachita and West Monroe were added to the schedule Bastrop was the big game of the season, being played as the last regularly scheduled game.

ROBERT TURNER, Guard

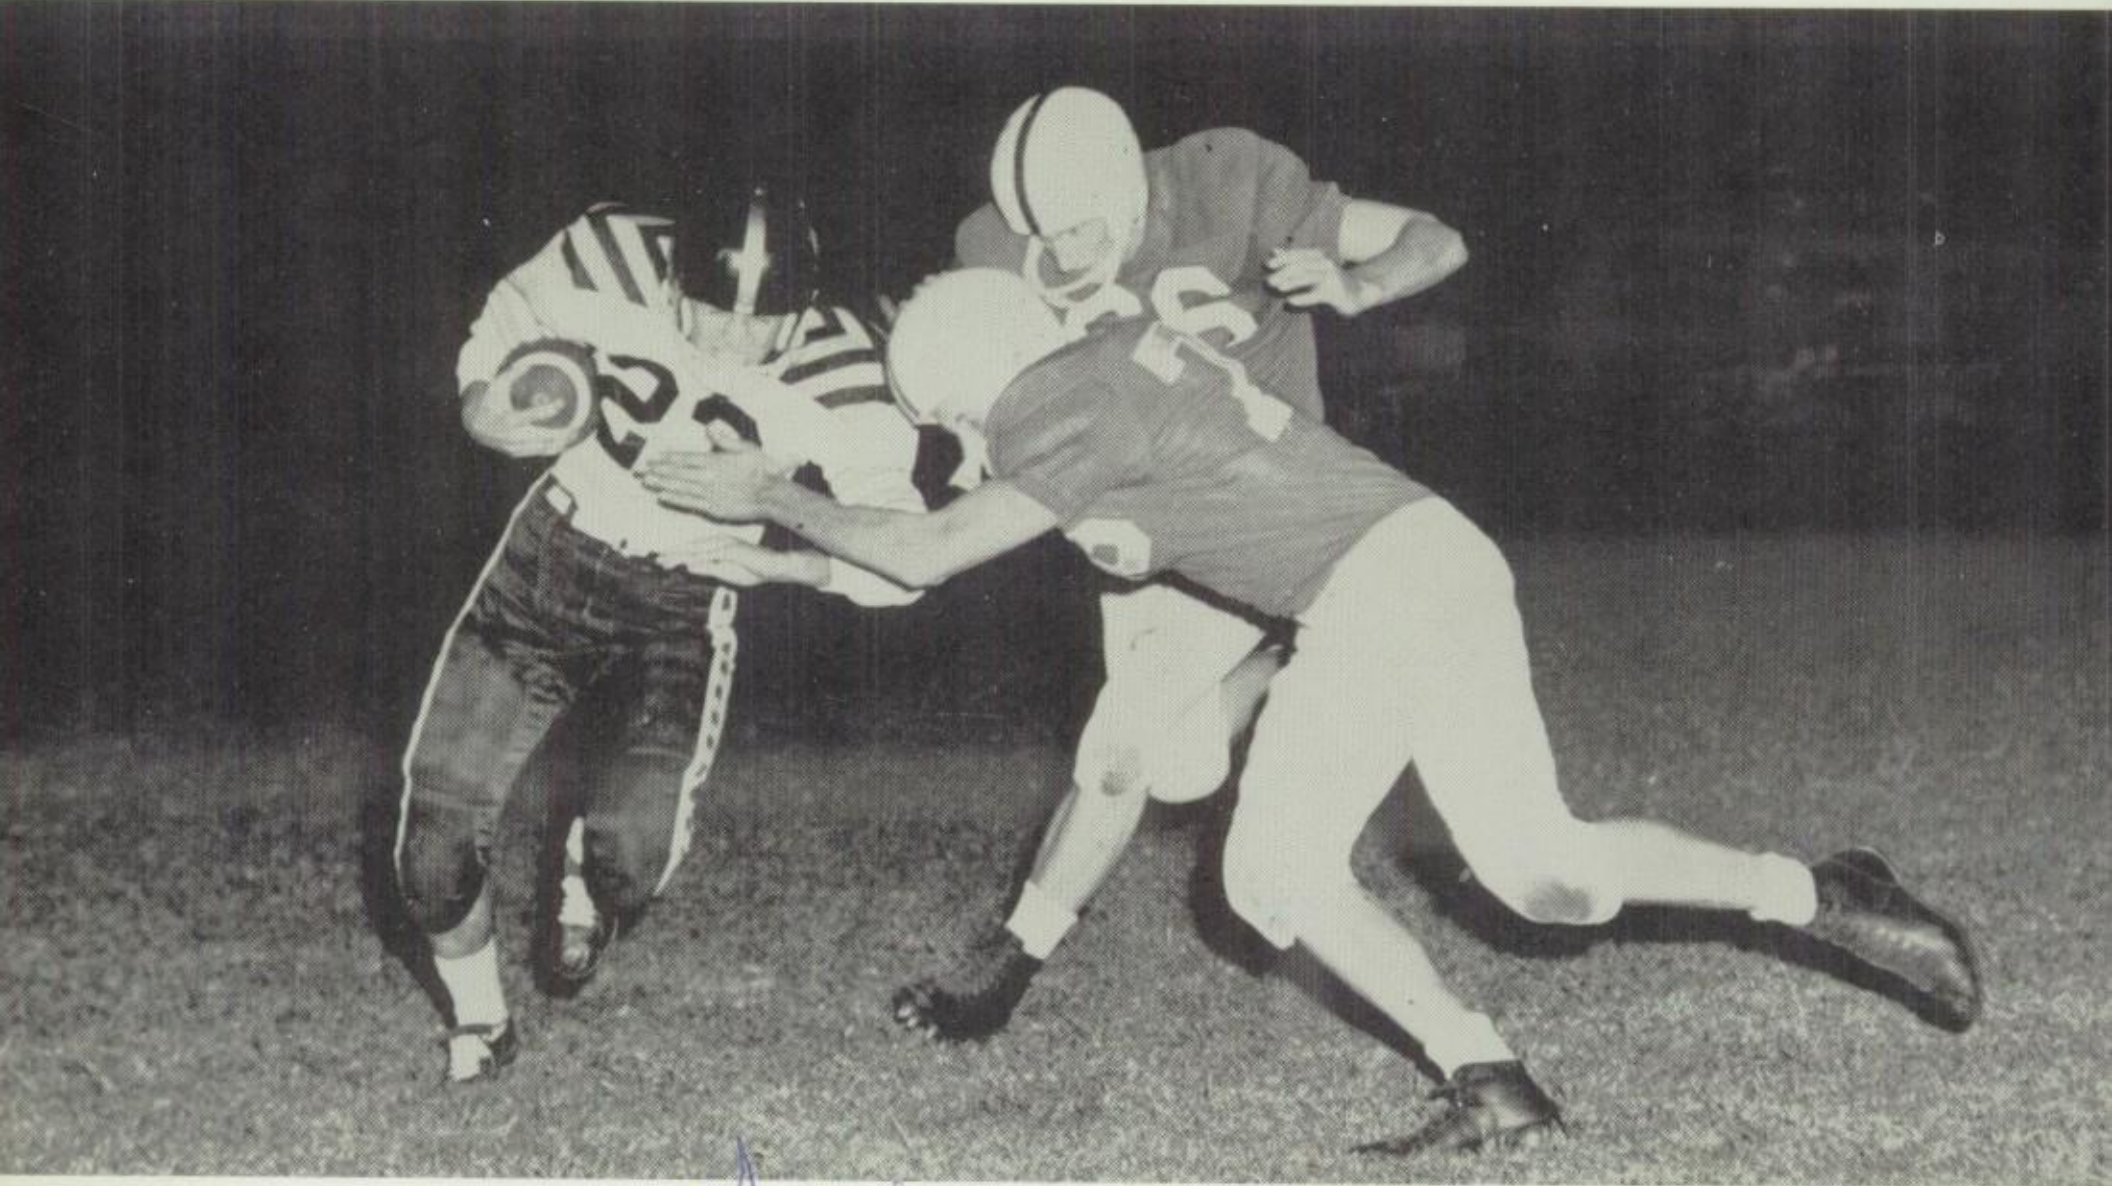

CHARLES SNAPP, Tackle

BERNARD BRYANT, End

Neville 40 Farmerville 13

Neville met one of the oldest rivals on its football schedule, Farmerville, in the big breather game of the season. Actually the 40-13 score does not indicate the Tigers' potential in this contest. The Monroians scored at will and stopped the Farmers at will. This situation even prevailed where the entire bench was emptied. However, the Farmers managed to score two TD's, a feat which only the great Thibodaux Tigers were able to duplicate in the state championship finals. Scoring for Neville were Dooley Haddad with two, Joe Cage, with two, and R. F. Wilson. Mickey Cox kicked a field goal and Cage managed to make one point after touchdown.

LUCIAN BRANCH, Center

R. F. WILSON, Halfback

Neville 27 Jonesboro-Hodge 0

Jonesboro-Hodge presented Neville with its second conference challenge of the season in a game which had the Nevillites quite worried beforehand. However, the Tigers found the going somewhat easy after the show got underway. The Bengals swamped the host Tigers from Jackson Parish, 27-0. Two passes, one from Joe Turner to Joe Cage, and the other from Cage to Dooley Haddad accounted for the first NHS tallies. Jimmy Love, end, recovered a Jonesboro fumble on the 10 yard line and raced over the goal for the third score. Cage, in the fourth quarter, raced 20 yards around end for the fourth TD. Joe also kicked the three extra points.

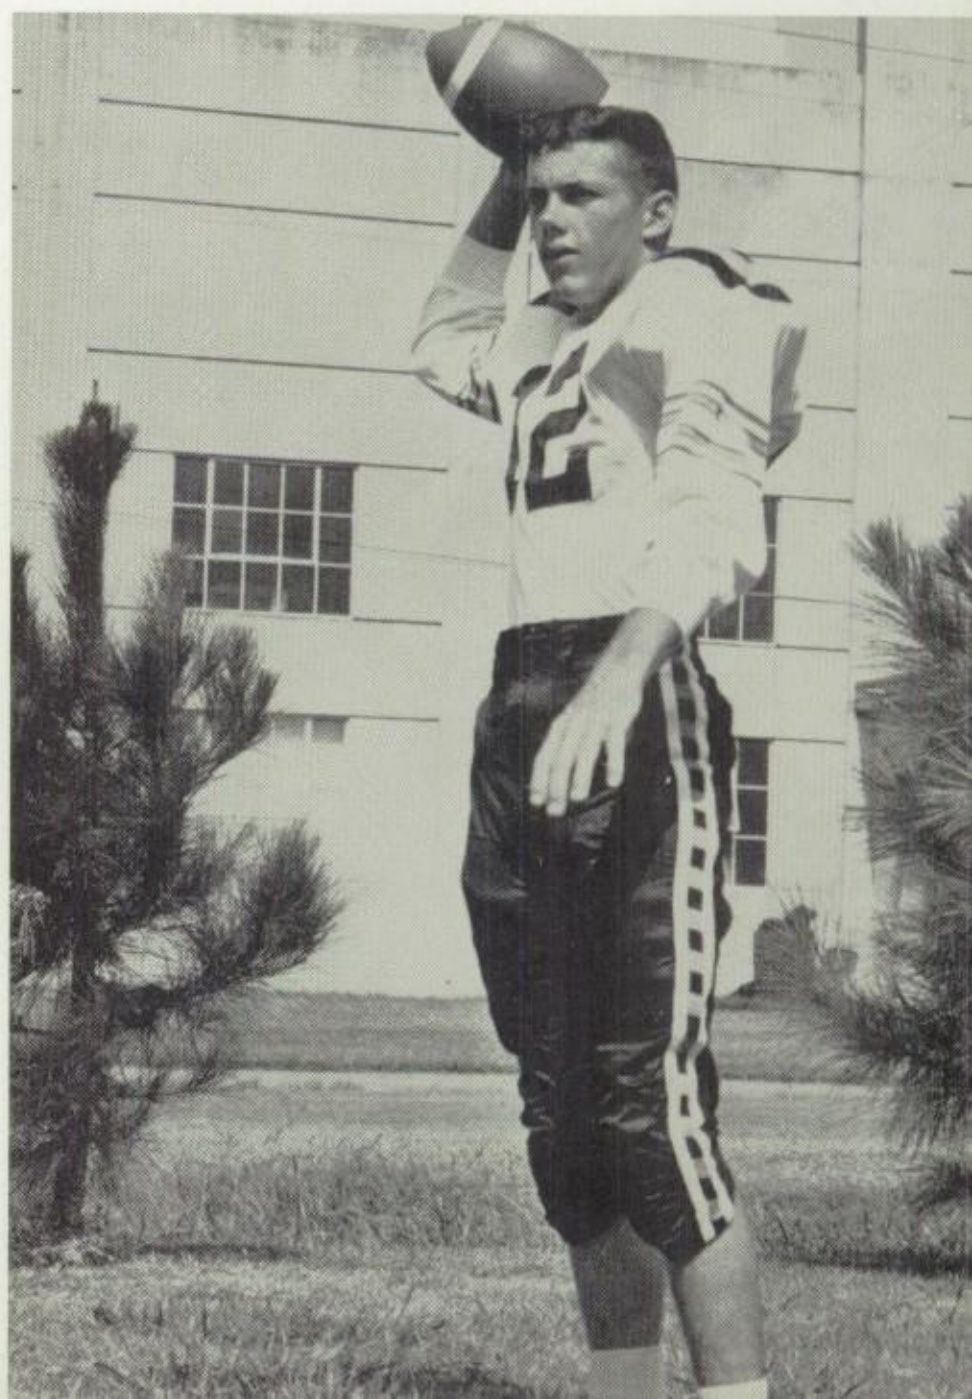

BEVERLY FRANKS, Quarterback

Neville 14 Ruston 0

Up to this Ruston game, the two elevens from adjoining parishes were closely rated with Neville a slight favorite. Ruston had literally gone wild for two weeks in preparation for this all-important conference tilt for the district 2-AA championship. This was Hoss Garrett Appreciation Night as well as Bearkat Homecoming. The whole town spared nothing to try to help its team beat Neville. However, such was not the case. The Monroyans actually destroyed the fanciful dreams of the Rustonites by shutting out their once proud and mighty Bearkats, 14-0, in a brilliantly played encounter on the part of the Nevillites. Joe Cage scored the first touchdown while his teammate, Devone Payne, followed with the second score in the second half. Cage kicked both extra points. Mickey Cox, Neville's great tackle, led the defense in stopping Ruston's celebrated Pat Shows, from scoring a point. This was something unheard of to that memorable game.

At this point Neville was about the only team in the state to sow up its respective district title. Actually, the remainder of the Tiger season had no effect on the State Championship race, since Neville was not to meet any more conference foes. Neville copped the district 2-AA championship on October 16.

Neville 43 Tallulah 0

JOE TURNER, Quarterback

In what is considered one of Neville's toughest games of the season every year, Neville really got revenge for past lickings suffered at the hands of the class A Trojans. Actually, the Tigers poured it on in abundance by scoring 43 points to the visitors' none. Until the final whistle blew, Tiger fans were shouting for more scores. It is very likely this would have taken place if there had only been more time. Joe Turner passed three times for scores, twice to Joe Cage and once to Neal Gunn for three of the six TD's. Turner raced 85 yards to the Trojan two and then scored for Neville. Cage plowed over from the two, for a Tiger score, also. QB, Butch Franks tossed the final TD pass to Bernard Bryant in the second half. Mickey Cox kicked a field goal from the ten yard line. Cox and Cage were employed in PAT work.

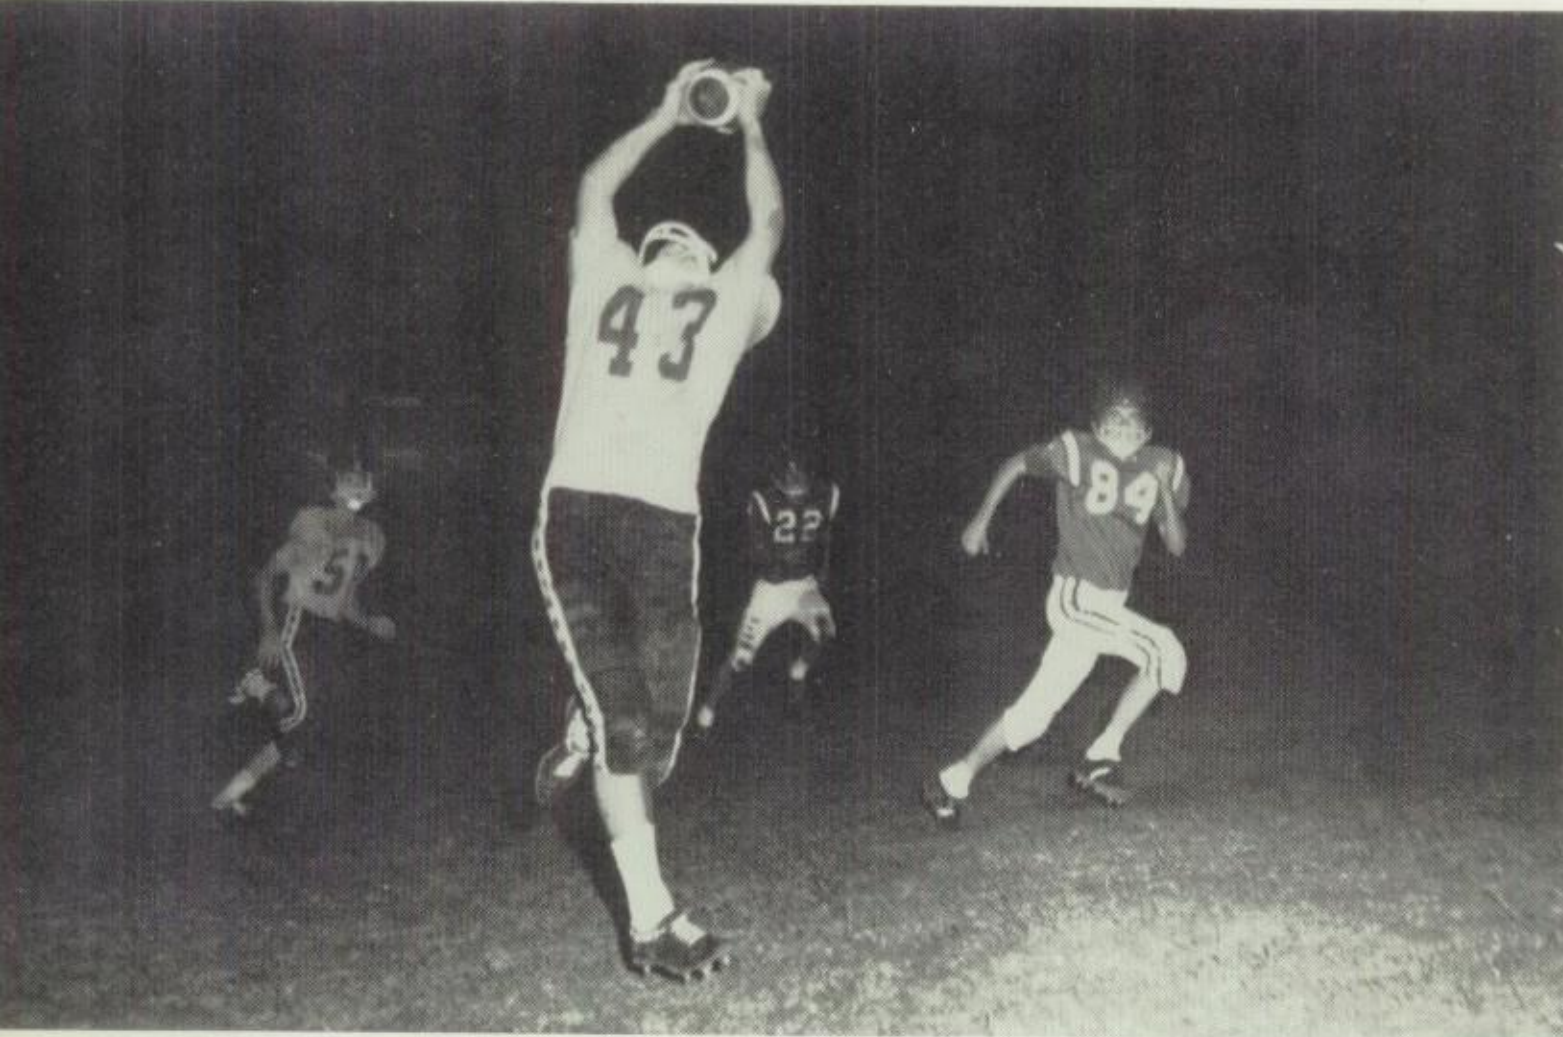

BILL LaFRANCE, Guard

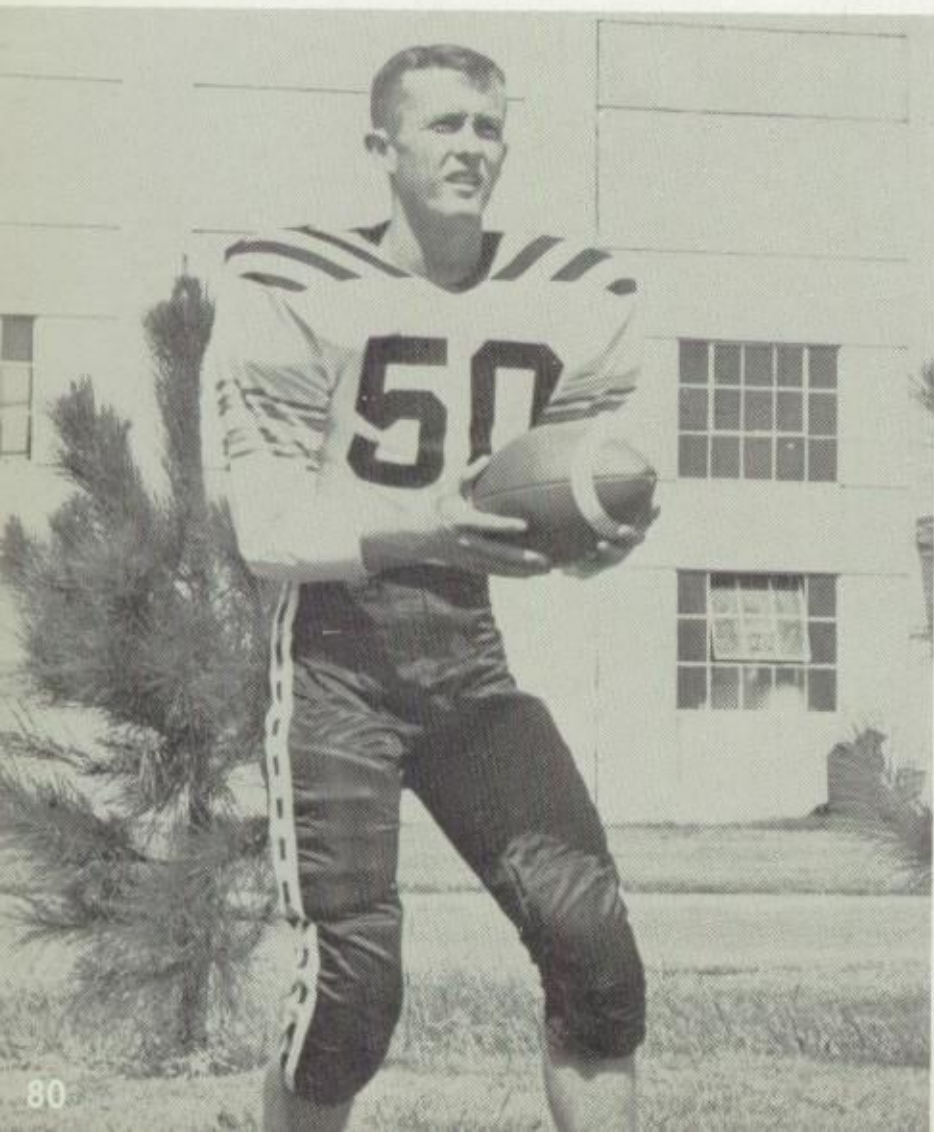

Neville 21 Baker 0

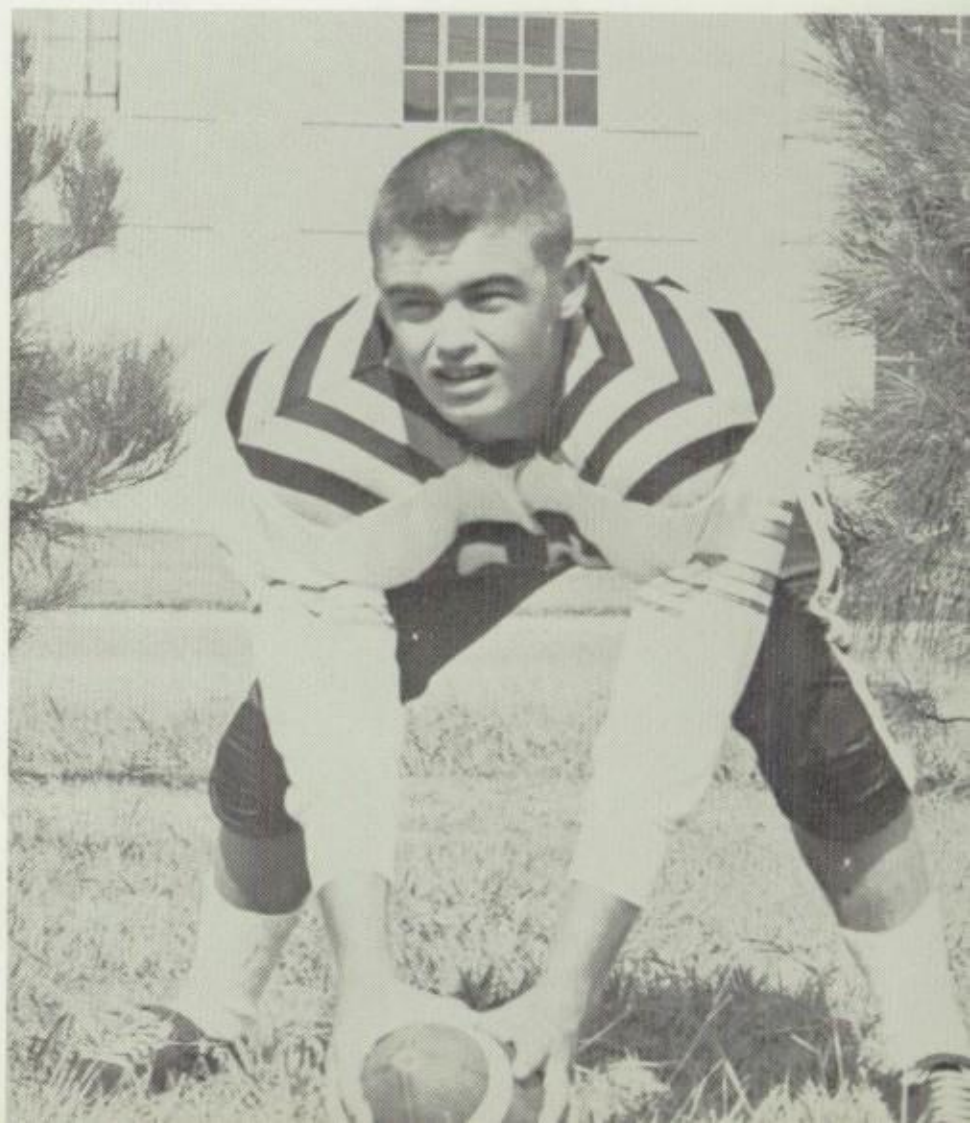

Baker proved to be another Tiger breather, 21-0. Actually the Tigers played around for almost three quarters with field goal practice and other antics designed, apparently, to hold the score down. Five field goal attempts were made, all unsuccessful, which is possibly the most made in a high school game in many years. Victory number eight in a row came easily as the Tigers rolled to two quick scores, early. Dooley Haddad's 100 yard run was marred by a holding penalty. This was the only real thrill of an otherwise generally dull game. Devone Payne and Haddad scored the first two Neville TD's and Cage made the PAT's. Payne scored the final touchdown which was welcomed by Neville fans who obviously desired to see more action than had been displayed up to that time. The encounter was preceded by Homecoming festivities at which Joan Williams reigned queen for the second year in a row. Perhaps, the Homecoming festivities added the only real color to an otherwise colorless, routine game. Still the Tigers kept up their high rating as number 1 in class AA in the UPI weekly pole, a rating the Bengals held several weeks beforehand, and one they were never to lose the remainder of the season.

RALPH ROBERTS, Fullback

City Championship Neville 35 — Ouachita 0

Once again the Neville Tigers routed Ouachita in their annual intra-city clash, this time 35-0 to make it a clean sweep of the Ouachita series for this decade. It has been over ten years, 1949, since the Lions have turned the trick and beaten a Neville eleven. Neville (Monroe City High School) beat Ouachita 3-0 in the first intra-city encounter played in 1911, a season that found the Tigers undefeated and state champions. Neville's tremendous offensive drive was triggered by Neal Gunn's 47 yard touchdown burst in the first three minutes of the game. Other touchdown scorers were Devone Payne, Joe Cage, Joe Turner, and Sperry Brown on a pass from Turner. Ouachita gained a total of two yards to Neville's awesome 398 yards rushing. The Tigers led in almost all other statistical categories. Joe Cage added the five PAT's to his big number of total points scored in the season play. This marked the end of the slightly abbreviated regular Tiger season play. Neville was then ready to meet its first victim of playoff games, Minden, the following week at Ruston, a neutral sight. The Tigers were favorites in that game and early favorites to cop their second state championship, as well.

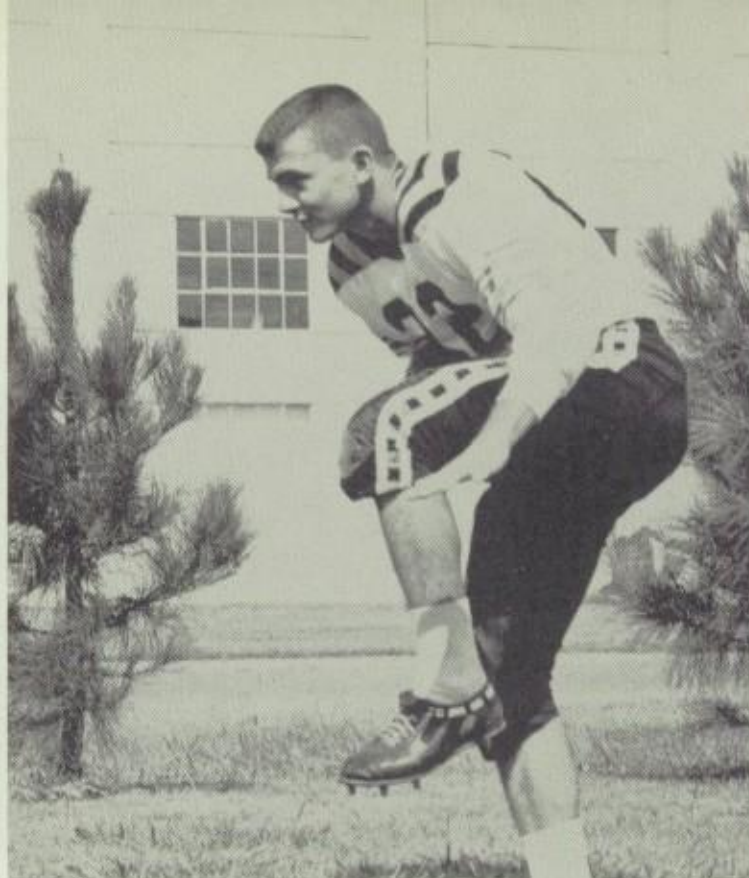

MICKEY COX, Tackle, All-American

Bi-District Championship Neville 28 — Minden 6

Neville avenged the 1956 upset of that great Tiger eleven, by smashing Minden, 28-6, the team responsible for ending the season three years ago in tragedy. The Bengals whipped the Crimson Tide in a really one-sided affair played in Ruston on neutral grounds of Louisiana Tech Stadium. Neal Gunn was responsible for the first Neville tally by racing 47 yards to paydirt. Other touchdowns for the Monroians were made by Devone Payne on a one yard plunge, Joe Cage on another one yarder, and Joe Turner's culmination of a 73 yard march, by sliding a half yard to paydirt for the final score. Cage was responsible for the expert kicking of the extra points after touchdowns. This game was one of Neville's better played contests of the season and really showed the superiority of the Tigers. The general opinion seemed to be that the winner of the Neville-Minden game would go all the way to take the state AA championship. The prediction proved precisely correct as the playoffs progressed, later on.

BUCKY BUCKNER, End

NEAL GUNN, Halfback

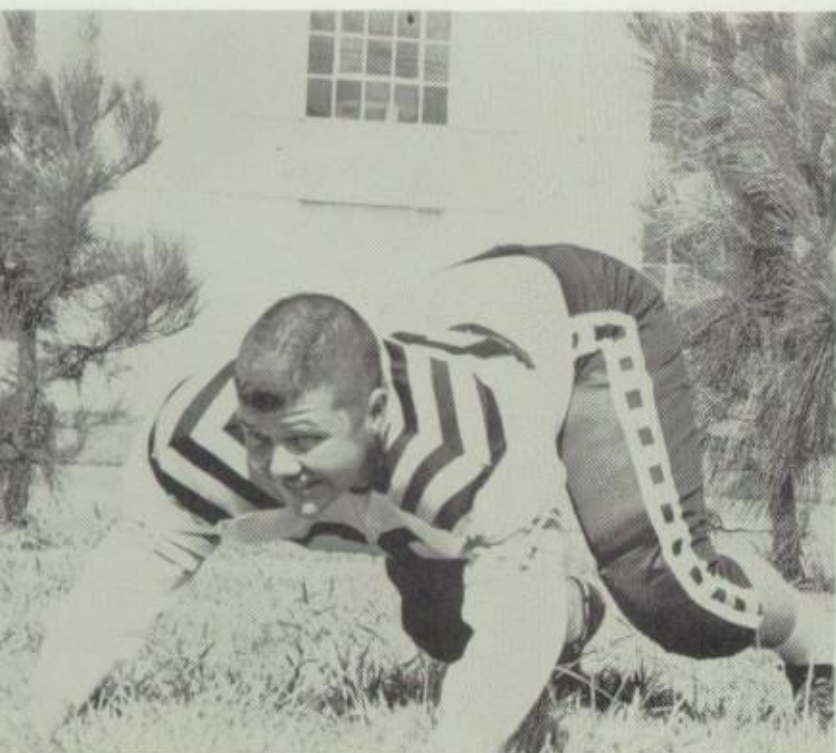

ROBERT TURNER, Guard

JIMMY LOVE, End

State Semi-Finals Championship Neville 24 — Natchitoches 7

After a week's rest because of a three way tie in district 3-AA, the Nevillites again played in Louisiana Tech stadium, meeting the Red Devils from Natchitoches, this time. The Monroyans appeared a bit apprehensive concerning this game since the Devils were undefeated, winning one more game than NHS. Then, too, the Natchitoches aggregation had a big, extremely well balanced team, more so than Neville, the Tiger Coaching staff remarked before the game. However, the Tigers proved to be masters of the situation once again by plastering the Red Devils 24-7. Touch-down scorers for the Tigers included: Joe Turner for 30 yards wide around right end, Joe Cage, on a nine yard end sweep, Cage on a 45 yard interception, and James Hunt on another interception from the 30 yard line.

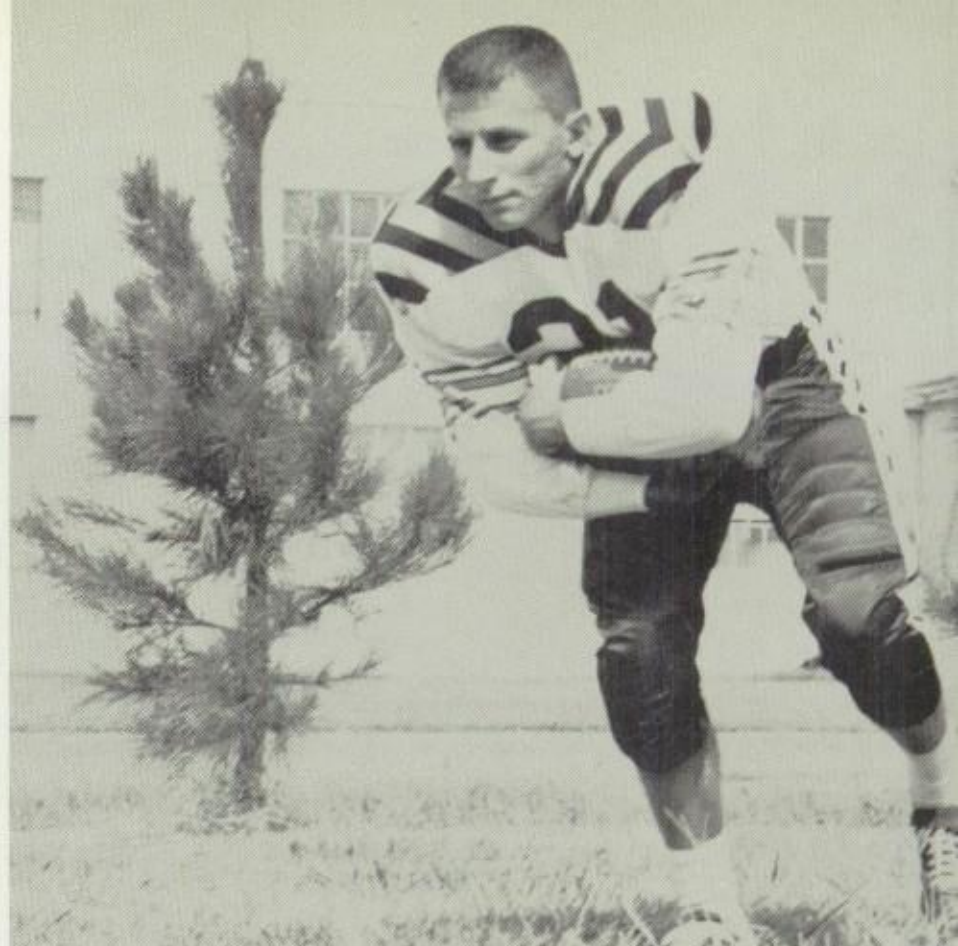

ARTHUR WILLIAMS, Guard

JAMES HUNT, Guard

DOOLEY HADDAD, Halfback

State Championship Neville 21 — Thibodaux 13

Neville journeyed to Houma, another neutral field of a sort, to meet the highly rated Thibodaux Tigers for the State championship. The reason the game was played in Houma instead of Thibodaux (the South Louisianians won the toss of the coin) was because the Terrebonne High School stadium at Houma held more people than did its neighbors', 16 miles to the north. Buses loaded with Tigerettes, bandsmen, students and local adult Tiger fans, made the long trip to Houma. Certainly none was sorry he went to the trouble, for the Nevillites proved themselves once more great, by copping the state championship by beating another great team, Thibodaux, 21-13. All of the Neville touchdowns were on long runs. The Tiger touchdown scorers were Devone Payne on a 47 yard gallop, Neal Gunn on a 54 yarder and Joe Cage on an electrifying 78 yard gallop to paydirt. This was the first time that a Tiger team at the City High School (since it has been known as Neville) has ever won a state championship with a completely spotless record. In 1955 when Neville beat Reserve for the state title, the Tigers had lost two encounters during regular season play. In 1956 it looked as if the Bengals would go undefeated to the state title, but such was not the case because of Minden's smashing defeat at Minden. No team scored more than two touchdowns and one extra point against the Tigers this season. It was a truly great season credited to truly great Neville football players and coaches, probably the greatest in Neville football history.

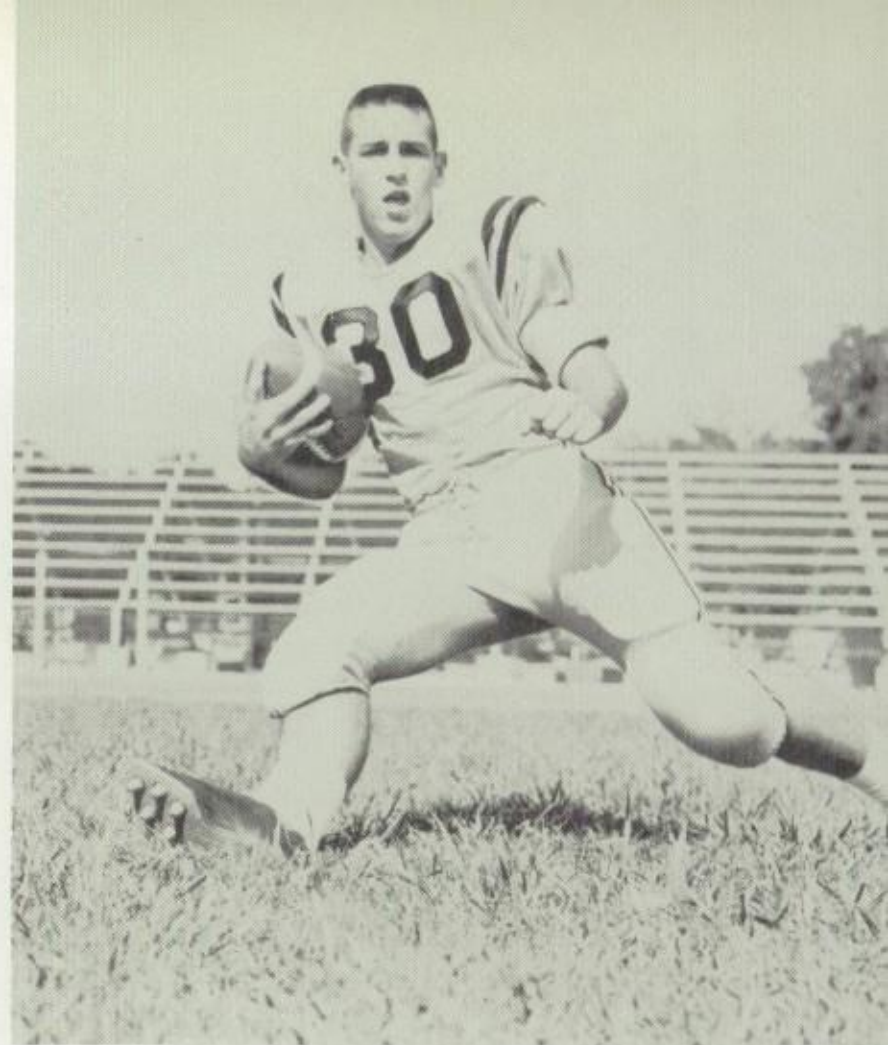

Neville Varsity 'B' Team

Neville has had many fine 'B' Football Teams in the past with better records than this year's eleven. However, perhaps none has measured up to the drive and determination that was evident in this year's squad play. There is nothing flashy and showy about 'B' team play. Little recognition is given to the accomplishments and struggles of such squads. Part of the reason is that the 'B' Team is primarily a conditioner for the varsity, the ultimate in high school football. The same generally holds true for the Freshman Teams. 'B' team football gives the boy a change to play who would not have been able to play much, if any, varsity football. It also gives him an opportunity to improve to the extent that he may be in a position, later on, to be able to play regular varsity football. Much credit for this year's successful 'B' team should go to Coach George Davis and Athletic Director, Coach Bill Ruple, for their tireless efforts in promoting 'B' football at Neville, the state's number one football high school. Coach Buck Stewart coached freshman football to a creditable season record:

JIMMY HOWARD, Co-Captain

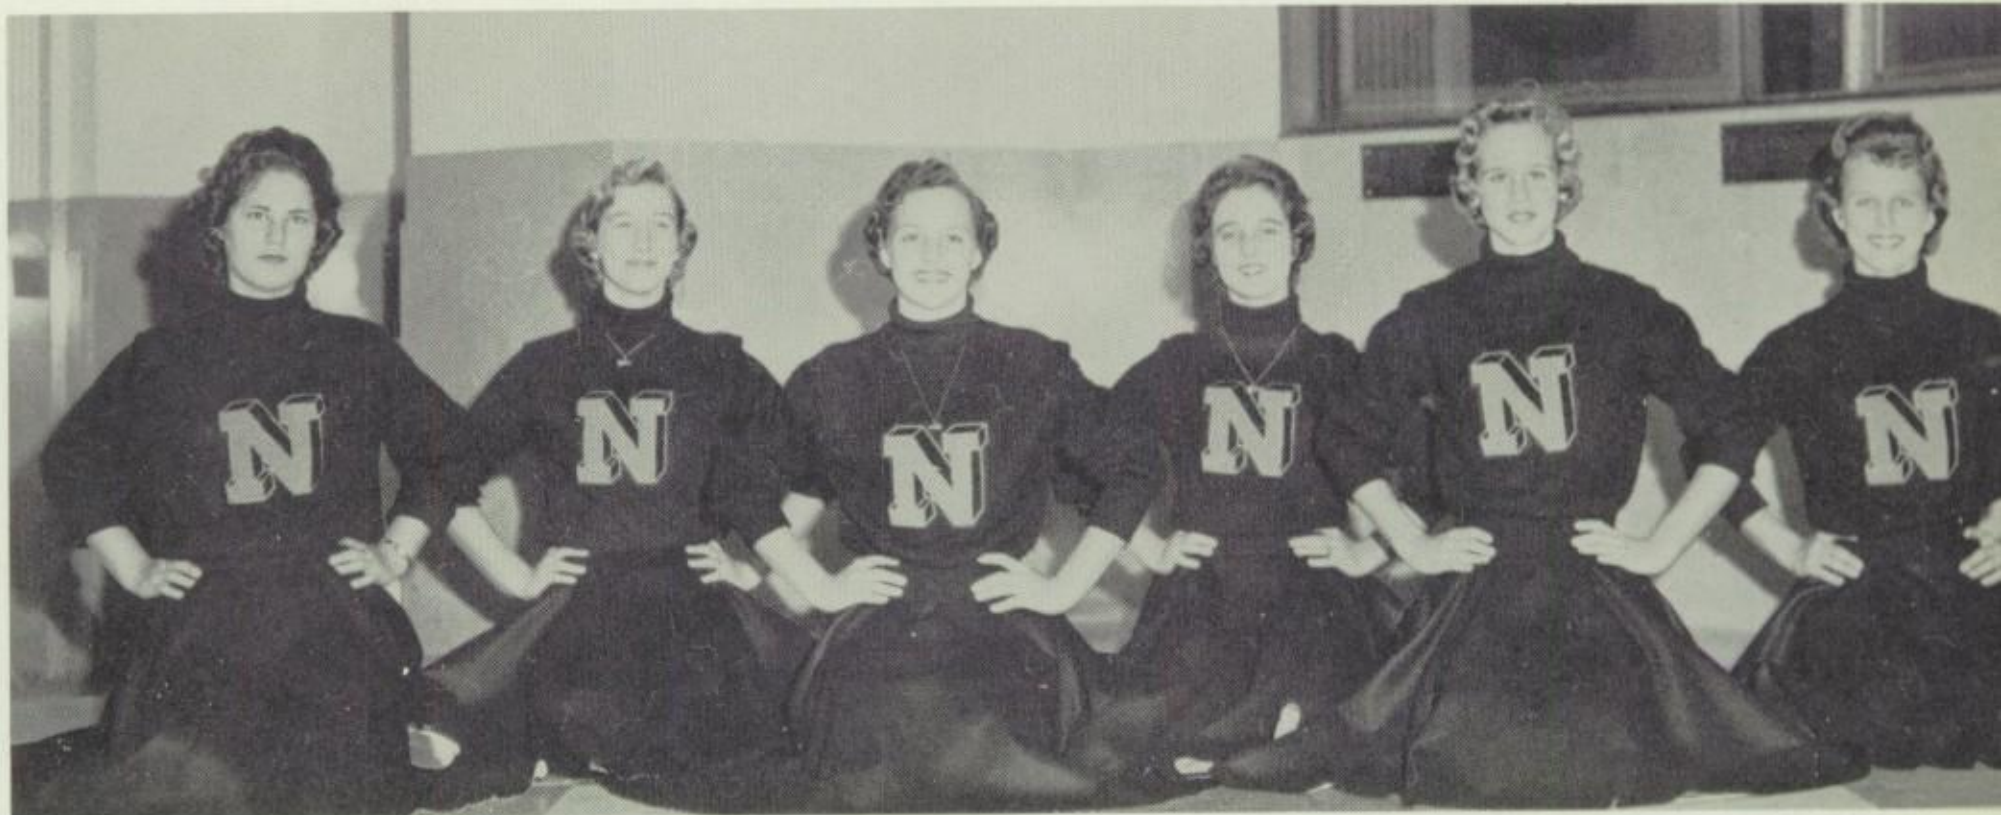

BILL YERGER, Co-Captain

Neville Freshman Team

Freshman Football has for years at Neville been a stepping stone to higher football ranks, usually the Varsity 'B' team. However, some frosh prospects move directly up to the varsity squad after Freshman service has ended. There is a great deal of spirit and a moderate amount of recognition present in freshman football. The frosh team has its own cheerleaders, also.

Freshman Cheerleaders

Freshman cheerleaders are, from left to right, Dianne Clark, Nancy Crossland, Mary Ann Neal, Sharon Monroe, Kathy McSherry, and Polly Parrish.

1959 Homecoming Court

Neville's 1959 Homecoming Court, left to right: Jean Slaughter, Darla Storms, Joan Williams, Queen; Jan West, Maid of Honor, and Bunny Cannon.

Varsity Cheerleaders

BOTTOM ROW, left to right: Sandra Stancil, Darla Storms, Carolyn Smith, Carolyn Cordell. TOP: Shela Irvin and Ann Andrews.

CHEERLEADER NOTES

One of the greatest ambitions of many Neville girls is to become a Tiger Cheerleader. Candidates practice in the Spring and appear before the student body in a sort of audition. The general student body votes on six girls to fill the bill. After the girls are elected, they practice during the summer, often going to cheerleader camp. The cheerleaders select their own uniforms; the display of them is a great surprise before the first Tiger football game. The uniform style is kept secret until this initial grid encounter. During the regular football season and during playoff games the cheerleaders make colorful posters for the Tobby and perform other spirited services for the football team. For years there were but four cheerleaders, but in 1954 two more were added to the list, making the total six, today's number. Often Freshman Cheerleaders move up the ranks to Varsity Cheerleader a few years later. Miss Jane Whittington has been the sponsor of the varsity cheerleaders since 1956.

SPECIAL NOTICE ON ATHLETICS

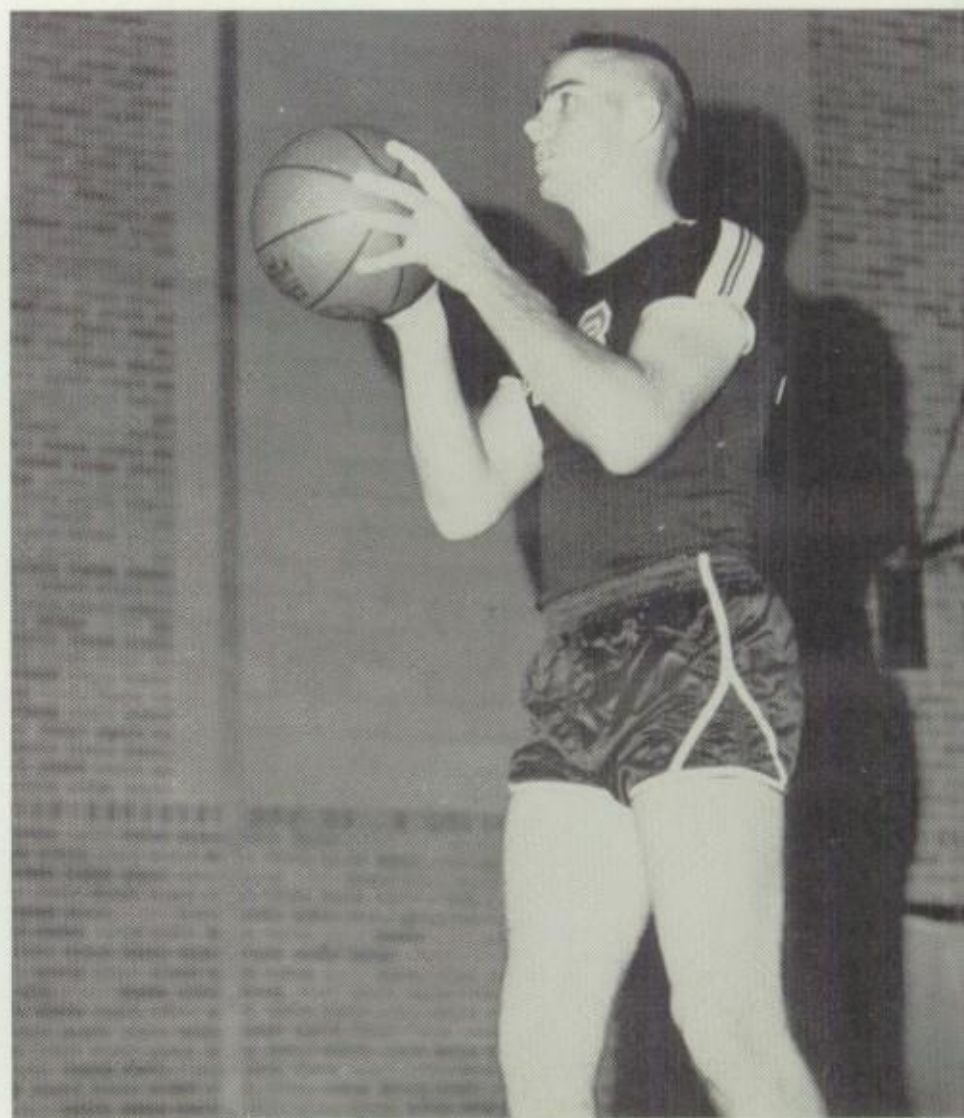

After long and careful consideration, the Neville coaching staff and the Monroyan Staff decided to include only football and basketball pictures in the 1960 Monroyan. Since the deadline for publication was February 1, it was impossible to properly represent baseball, track, tennis and golf. It was deemed wiser to wait and cover these sports in a comprehensive manner in next year's Monroyan as a part of the Spring Activities Section. We trust this will be satisfactory to all parties concerned.

The Monroyan Staff

Joe Cage, Ark-La-Tex Athlete of the Year

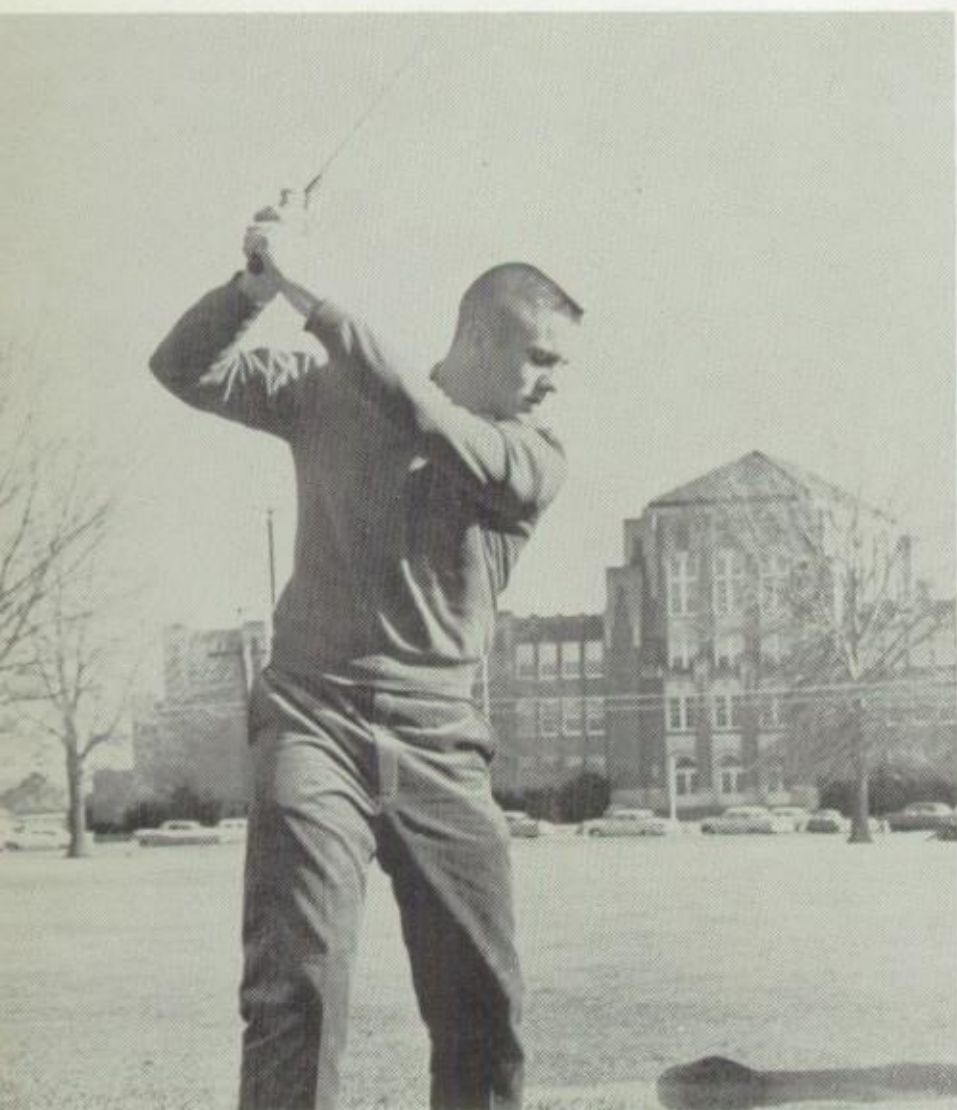

Cage Romps in Football

Cage Paces Cagers

Joe Cage became the first Neville athlete to receive such an honor as ATHLETE OF THE YEAR of the Ark-La-Tex area when it was announced in the newspapers throughout Louisiana, Arkansas and Texas on January 27, 1960, that he had been selected to receive this honor. The selections are made each year by the Shreveport Chamber of Commerce. Cage was officially honored at a banquet in the Washington-Youree Hotel's Crystal Ballroom on February 12.

Joe Cage is one of those once in a lifetime athletes who is exceptionally good in virtually every sport which exists. Many people in the know have often stated that his actual potential is unknown. Joe has, what might be called, unexploited talent practically unlimited. His accomplishments in football, basketball, baseball, track and field, golf and other sports are a matter of record. The future, that of college and possibly that of professional ranks, lies ahead. It is a bright future, indeed, for the ARK-LA-TEX's ATHLETE OF THE YEAR.

Cage Plays Golf

Cage Sets National Javelin Record

Mickey Cox, All-American First Team Selection

FIRST TEAM ALL AMERICAN—Mickey Cox, Neville High School, Monroe Louisiana. This phrase adequately describes the supreme honor that could be accorded a high school football player in the United States of America. This is the first time a Neville footballer has been accorded such a tremendous honor. Twice before Tiger gridders, Leland Sims, 1953 and Elton Upshaw, 1956 were accorded honors on the third and sixth teams respectively. This was the thirteenth annual selection made by the Wigwam Wisemen of America. Mickey also made the All-State, All-Monroe and All-Twin Cities teams in 1959.

Coach Ruple, riding in the Ruple Day Parade as thousands cheered, bands played, Tigerettes marched.

"Bill Ruple Day" Celebration

Coach Bill Ruple received one of the greatest honors of his coaching career on January 11 when that day was proclaimed BILL RUPLE DAY. A parade kicked off the day's activities featuring the famed Neville Band, Tigerettes, Lee and Jefferson Junior High Bands and a multitude of cars. The first banquet in the new Neville Cafeteria was that honoring the veteran NHS coach that night. A capacity crowd showed up with standing room only available at the function. Herbert Gathright and his, then, recently organized Dance Band provided the music while hundreds were dining. After the banquet ended the people moved to the auditorium to listen to a series of speeches, and witness the presentation of monetary gifts to the assistant coaches and Mr. Gathright. Coach Ruple was then led to the back side of the auditorium and presented the automobile shown below.

Before Coach Ruple received the keys of this new Ford station wagon, Slim Scogin of Brown-Rivers-Scogin presented him with a model of a Ford for the coach's grandson; then he broke the good news about the "real car" gift awaiting him outside.

The Penney Idea

*The J. C. Penney Company's policies and purposes
are the key to its growth*

- 1 To serve the public as nearly as we can to its entire satisfaction.
- 2 To expect for the services we render a fair remuneration, and not all the profit the traffic will bear.
- 3 To do all in our power to pack the customer's dollar full of value, quality and satisfaction.
- 4 To continue to train ourselves and our associates so that the service we give will be more and more intelligently performed.
- 5 Constantly to improve the human factor in our business.
- 6 To reward the men and women in our organization through participation in what the business produces.
- 7 To deal fairly with those from whom we buy our merchandise.
- 8 To test our every policy and method by this rule: "Does it square with what is just and right?"

OUACHITA COCA-COLA BOTTLING CO.

The End and The Beginning

This is the end of another year.
This is the end of another decade.
Yes, the end of Neville's first 75 years.
Surely, the best is yet to come.
As Neville approaches its Centennial.

If the years to come are as great
As those which have just past,
Neville will continue to be outstanding
and comparable to any high school, anyplace.
Thus, Neville commemorates its Diamond Anniversary.

O Neville High we sing to thee.
O Neville High we praise.
O Neville High we bring to thee,
Our love, all of our high school days.

You stand a mighty fortress
On Monroe's cherished land.
God Bless you, Alma Mater,
Forever may you stand.

Sammy R. Danna,
Diamond Anniversary Monroyan Sponsor.

may you always gain what you
seek, receive what you hope for
and always have the best.
always,
Don

Suzanne -

Well, we've really had some good times together haven't we? I hope we will always be as close friends as we are now.

Remember my little brother's birthday party, and all those screaming brats? (I know I won't forget - I'm a nervous wreck) And don't forget the burned popcorn, and the mess we made. I don't see how our mothers survived us.

I'll never forget you, and I hope you won't forget me either. I hope we will be together for the rest of our years at Neville, and maybe even after we graduate. (Wouldn't it be nice if we were roommates in college?)

Suzanne, I wish only the best to you. I hope luck and success always follow you and never catches up with you. You are one of the sweetest girls I've ever known, and probably ever will know. Keep your sparkling personality (HA) and your bubbling humor (double Ha) and you will go far in life. Love you lots - Jean Waller
